

Specifying inlay placement for ZQ520 RFID mobile printer

The Zebra ZQ520 RFID printer has special media requirements. Unless specifically authorized by a Zebra Custom Solutions agreement, this printer is only supported with RFID labels purchased from Zebra.

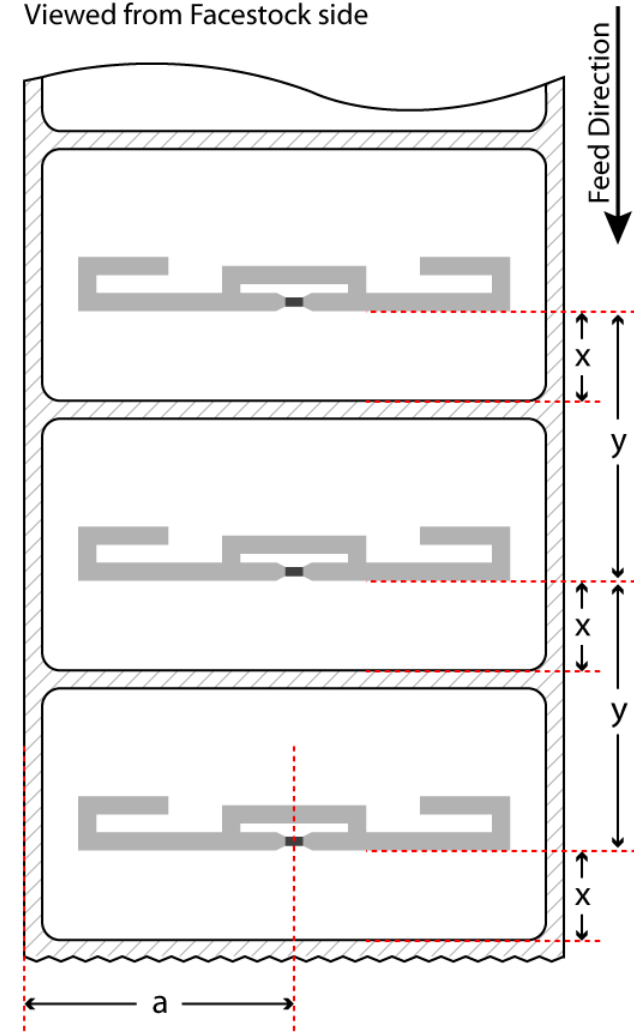

Details on our current ZQ520R stock labels can be found here:
www.zebra.com/us/en/products/supplies/rfid-labels-tags.html

Custom label sizes and inlays are available. Contact your Zebra account representative for details

ZQ520 RFID

Viewed from Facestock side

Parameter	Name	Definition
