Installation and Configuration Instructions

To install the A03 BIOS update:

1. Download the BIOS file and save it to a directory of your choice.
2. Unzip the file to a location on your local drive.
3. Double-click the installer and follow the prompts.
Note: Ensure the tablet is using AC power before opening the file.
4. The update process may take some time. Do not manually power-off the tablet during the update.
5. The tablet will automatically shut down after installing the BIOS.
