## New in ET51/ET56 Windows 10 Enterprise OS Release V01.00.37

Component	Version
<b>Windows 10 Enterprise</b>	OS Build 17134.81 [Version 1803, includes KB4100403]
<b>Insyde Apollo Lake BIOS</b>	V05.12.30.0033
<b>Wi-Fi</b>	V20.60.0.7
<b>BT</b>	V20.60.0.4
<b>GPS</b>	V1.0.12.0
<b>NPC 300 FW (NFC)</b>	V10.1.1D
<b>EC FW</b>	V1_16
<b>BIOS</b>	V02.45
<b>USB-C Controller Firmware **</b>	V0.6.0.0

\*\* Make sure to install USB-C controller firmware (if required) after installing OS 01.00.37 by following the additional installation instructions that are part of Zebra ET5X Windows 10 Flashing Instructions.pdf.

### Requirements

ET51 and ET56 device must contain a released version of Windows 10 Enterprise image.

### Resolved Issues

- BIOS update contains MDS vulnerability mitigations
- BIOS update contains fix for boot stall when a USB hub with LAN7500 USB-LAN adapter is connected
- BIOS major version number is increased to prevent accidental flashing of incompatible BIOS to devices with SOC F1 stepping that requires new microcode
- ET56 Telit Modem FW Installer updated to version 1.0.1.28 (FW 4.7), which includes field test related fixes
- Improvements added for touch performance

### Usage Notes

- None

### Known Issues

- None

## About ET51 and ET56 Windows 10 Enterprise Tablets

When it comes to choosing a tablet for your business, your workers want sleek consumer styling, while you need enterprise-class durability, data capture and an accessory family that allows you to create the perfect tablet solution for your environment, workers and apps. Now you can have it all with the ET51 and ET56 Enterprise Tablets. The thinnest and lightest of the full line of Zebra rugged tablet computers, the ET51 and ET56 provide your workers with the same great styling they love on their personal tablet. You get a tablet built to handle all-day, everyday business, inside and outside your four walls. Both the compact 8.4 inch or full-size 10.1 inch model have bright, daylight viewable displays, and are loaded with features that make data capture easy. And a wide range of accessories boost ruggedness, simplify charging, extend battery life and make this tablet easy to carry and easy to wear. The ET51/ET56 Enterprise Tablets — all the features your business needs, with the consumer good looks your workers want.
