Installation and Configuration Instructions

To install the Barcode Reader 1.0.7.2 update, perform the following steps:
1. Download the update and save to the directory location of your choice.
2. Unzip the file to a location on your local drive.
3. Uninstall any previous versions of "Motion Barcode Reader" software. Search "Program and Features" and select "Motion Barcode Reader" for uninstallation.
4. Double-click the installer (.exe file) and follow the prompts.
5. The update process may take some time. Do not manually power off the tablet during the update.

Licensing

Refer to your applicable end-user licensing agreement for usage terms.
