Installation and Configuration Instructions

To install the Wi-Fi Driver 20.40.0 update, perform the following steps:
1. Download the update and save to the directory location of your choice.
2. Unzip the file to a location on your local drive.
3. Double-click the installer (setup.exe) and follow the prompts.
4. The update process may take some time. Do not manually power off the tablet during the update.

Licensing

Refer to your applicable end-user licensing agreement for usage terms.
