Parts List

Before proceeding, verify that your kit contains the following items. To reorder specific parts, navigate to zebra.com/parts, and select your printer model.

	Media Window Qty: 1
--	------------------------

Replace the Media Window

1. Open the media cover.
2. Press the window from the inside of the door (1) and until the tabs (2) clear the edge of the door.

NOTE: There are three tabs on each edge of the window.

3. Discard the window.
4. Close the media door.

-
5. Align the media window, with the tabs facing the media door and the window opening on the media door.
 6. Seat the fixed tabs into the window opening. Snap the remaining three sides into place and seat the window properly.

The installation is complete.
