

CS3070 REAL TIME CLOCK SYNCHRONIZATION APP RELEASE NOTES, VERSION 1.02

DESCRIPTION

This Windows Application utility is used to synchronize the Real Time Clock (RTC) on your CS3070 scanner with the RTC on your PC. See the ReadMe file on how to use this application.

DEVICE COMPATIBILITY

This application can ONLY be used on PCs running Windows 7.0 or 8.0.

RELEASE NOTES

Version 1.02

The application will now automatically synchronize the Real Time Clock (RTC) on the CS3070 scanner terminal to the RTC on the PC upon execution of this program utility with no user intervention. Read the ReadMe.txt file for how to use this application.

INSTALLATION

See ReadMe.txt file.
