

Zebra Validation Program

Application Test Overview

Eclipse DocOrigin ZPL Handler®

Summary

[Eclipse DocOrigin ZPL Handler®](#) was launched by [Eclipse Corp.](#) The DocOrigin ZPL Handler provides robust tools to design, present and deliver dynamic data-driven labels as well as forms, checks and documents. In production on AIX, Linux, IBM, and Windows servers, the DocOrigin ZPL Handler merges data in all formats to produce single or batch generation of high fidelity documents.

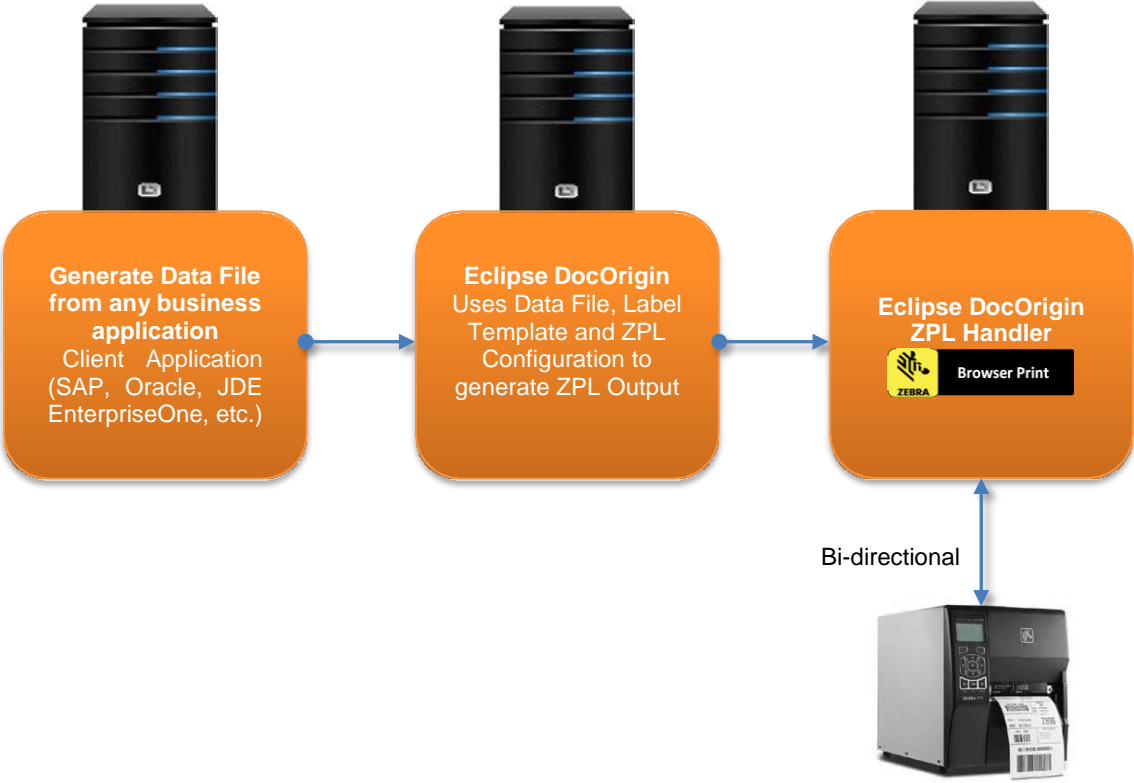

Product Details

[Eclipse DocOrigin ZPL Handler®](#) is an enterprise-class, software solution providing an easy to use but powerful designer which gives users the power to design static or dynamic labels, forms and documents. DocOrigin ZPL Handler provides a scalable software solution for the most critical business communications. DocOrigin is used by some of the most recognized clients in the world such as AT&T, GE Healthcare, McKesson Medical Surgical, Pella Corporation, PPG Aerospace, and Tyler Technologies just to name a few.

DocOrigin provides the reliability and performance needed to keep Zebra printers running at peak speeds anywhere within an organization at multiple facilities whether it is across the hall or across the globe. DocOrigin is capable of generating tens of thousands of labels per minute even on small servers. With the scalable platforms and multiple instance configurations, DocOrigin can meet the needs of the most demanding customers.

Demographic Information	
Headquarters Location	Cape Coral, Florida
Targeted Region	North America
Languages Supported	English, Spanish
Verticals	Aerospace, Manufacturing, Healthcare, Logistics, Government, Telco
ISV Application	
ISV Application	Eclipse DocOrigin ZPL Handler®
Company	Eclipse Corporation
Software Version	3.2
Hardware	Windows 64 Bit PC for Design Software
Operating System(s)	Production - Windows 10, Windows Server 2012, Linux, IBM , AIX
Formatting Method	ZPL II
Zebra Hardware	
Zebra Hardware	ZT420
Part #	ZT42062 - T0100A0Z
Description	ZT420R, 203 DPI, SER, USB, Ethernet, RFID,USB, BLTHT 2.1/MFI, US
Firmware Version	V75.19.15
Website	ZT420
Zebra Software	
Software Version	Browser Print v1.1.6.5
