Zebra Validation Program Application Test Overview *xCarrier-EMT*

Summary

- [xCarrier-EMT](#) was launched by [ProcessWeaver](#) to allow companies to process the Parcel and LTL shipping and print required documents and labels using Zebra wireless printers.

Product Details

Description: xCarrier-EMT – This mobile app is designed to ship, receive or track packages from anywhere in the warehouse or from the field. The app relies on ProcessWeaver’s Enterprise Centralized Shipping (ECS) shipping engine to perform the transportation tasks, improve efficiency, and provide the ultimate power to mobile users. Key features include:

- **Tendering** – Perform real-time tendering with the carriers (FedEx, UPS, DHL, LTL, Ocean freight carriers, etc.)
- **Processing Shipments** – Perform carrier compliant shipping process and print multi-carrier shipping labels.
- **Tracking & Tracing** – Track and trace your shipments real-time while on the go. Scalable and Worldwide applicable
- **Inbound Shipping** – Suppliers can pull their POs real-time and perform the shipping process using buyers’ routing guide, send an advance shipment notification to receivers, and generates the inbound delivery document.
- **Inbound Shipment Tracking** – Manage, monitor, and receive inbound shipments
- **Outbound Shipping** – Multi-carrier shipping process by connecting to any back-end business process
- **Mobile LSP Business Processes** – Perform various mobile operations including managing shipment pickups, printing the sorting label at the dock, capturing various milestones and customer signature, and real-time integration with LSP’s back-end business processes. Management Reports

Verticals: Transportation & Logistics, Manufacturing, Distribution
Validated Application Details

ISV Application:	xCarrierZebra
Company:	ProcessWeaver Inc.
Software Version:	1.0
Hardware:	iPad
Operating System(s):	iOS8.1.3
Command Language:	ZPLII
Formatting Method:	Link-OS SDK for iOS 1.3

Zebra Hardware:	Zebra QIn420
Part #:	QN4-AUNA0M00-00
Description:	QIn420 Mobile Wi-Fi Label Printer
Firmware Version:	V68.19.10Z
Website:	http://www.zebra.com/content/zebra/us/en/support-downloads/mobile/qIn420.html
