Zebra Validation Program Application Test Overview iFormBuilder

Summary

- [iFormBuilder](#) launched by [Zerion Software, Inc](#) is an award-winning, patented clipboard replacement solution that is being used across the globe.
- iFormBuilder now supports a tight integration with the Zebra Series MZ bluetooth printers, which support all iOS devices running iOS6 and the iForm client version 5.X software. Now mobile printing can be done anywhere in the world; wherever your work takes you, with or without internet connectivity.

iForm
