### Chicago First to Showcase GuestTek's Hospitality Technology at Trump Hotel Collection

Calgary, Alberta & Chicago – June 15, 2015 – Trump Hotel Collection™ have partnered with GuestTek™ to feature their OneView® Media and OneView Internet technology platforms at the Trump International Hotel & Tower® Chicago, starting July 2015. All services will run on a [Zebra Technologies Corporation](#) (NASDAQ: ZBRA) Wireless Local Area Network (WLAN), and will include GuestTek's myMedia and Mobile TV—which allows guests to stream content to and from their personal devices. Guests at the elegant Chicago hotel will also have the ability to pause and record live TV, as one of the in-room features.

"We are pleased to be offering GuestTek's OneView technology to deliver the innovative features that will complement the luxuries and conveniences offered at Trump International Hotel & Tower® Chicago," says Jerry Chang, Director of IT for Trump Chicago. "GuestTek's commitment to a great guest experience is in line with the unrivaled level of customized service provided at all Trump Hotel locations."

The Trump International Hotel & Tower® Chicago is a 92-storey boutique hotel featuring 339 graciously appointed suites and guestrooms, with sweeping city and lake views. It has received many esteemed awards and is one of ten prestigious hotels in the world to boast a double Five-Star Forbes Rating.

"It is a privilege to be featuring our hospitality technology as a brand standard for Trump Hotel Collection," says Arne Riemers, VP of Sales – Americas for GuestTek. "The combined solution offering of GuestTek services at the Trump Chicago will soon become the standard at other Trump Hotel Collection properties."

"The combination of Zebra's innovative wireless network and GuestTek's OneView Media and OneView Internet platform will provide next generation content delivery for a superior guest experience at Trump Hotel Collection," says Mark Kroh, Vice President and General Manager of North America Sales, Zebra Technologies."

GuestTek will soon be implementing their OneView technology and services at Trump Soho New York and Trump International Golf Links & Hotel in Doonbeg, Ireland.
