Zebra® Kiosk Print Station

A Low-Cost Self-Service Kiosk Solution

An innovative, off-the-shelf, all-in-one kiosk solution, the Zebra Kiosk Print Station makes it easy and affordable to bring the benefits of self-service—like improved sales, greater customer satisfaction and reduced costs—to your business. The Zebra Kiosk Print Station accessory accommodates a Zebra® kiosk printer, a roll of Zebra media and a compact kiosk computer to form a complete, economical alternative to expensive custom kiosks. Simply add software to complete the solution.

• Quick and Easy to Integrate—Integrates all the kiosk hardware components into an easy-to-install device that simply mounts to a wall or pole.

• Easy to Afford—Its low cost results in rapid ROI, so even smaller businesses can reap the benefits of self-service kiosks.

• Flexible Media Options—The Zebra Kiosk Print Station supports up to 6” diameter media rolls and widths of 2.3”/58 mm to 3.25”/82.5 mm.

• Durable and Secure—A sturdy, metal, lockable enclosure securely holds the printer and media, and a kiosk computer securely fastens to the unit—protecting all components from tampering and tough retail environments.

• Easy to Service—Enclosure opens completely to provide easy access for quick media changes and service.

Now it’s convenient and affordable for any size business application to implement a self-service kiosk solution

An innovative, off-the-shelf and ready-to-ship kiosk solution

Installs anywhere, pole- or wall-mountable

So affordable, it’s perfect for retail businesses of any size

Accommodates a reliable Zebra TTP 2000™, KR403™ or KR203™ kiosk printer
