ZQ110 Mobile Printer

PRINT RECEIPTS AND TICKETS ON DEMAND AND ON THE GO WITH THE ZQ110 MOBILE RECEIPT PRINTER

Zebra’s smallest and most affordable mobile receipt printer, the ZQ110™ is compact and lightweight enough to fit in a pocket or wear comfortably on a belt for an entire shift. Quickly print and tear 2-inch-wide receipts, tickets and delivery notices on site, saving time and money — all while improving customer service.

Compact, Competitive and Zebra-Certified

Serve your customers anywhere, anytime, with key features and a pocketsize design.

Mobile Ready
Keep your company and employees moving forward. The ZQ110 weighs 0.50 lbs / 0.23 kg including the battery for easy portability and storage in a pocket.

Be assured of outstanding reliability, even in harsh environments. The ZQ110 can withstand drops to concrete of up to 4’ / 1.2m and, when paired with the optional carrying case, the printer meets IP54 rating, protecting the device from dust and liquids, such as rain, snow or accidental spills, that are common in harsh working environments.

Sustain on-the-go productivity with the ZQ110’s user-friendly design. It is designed for quick, one-handed media changes and gives users status updates at a glance.

Customize the ZQ110 to ensure maximum operability for your business. Zebra® offers affordable options for at-home, vehicle and workplace battery charging and convenient accessories for a hands-free, hassle-free mobile solution.

Outfitted to Perform
Easily incorporate the ZQ110 into your operations. In addition to the industry-standard ESC/POS programming language, the ZQ110 supports a suite of software development kits and utilities for seamless integration.

Complete mobile printing operations efficiently. The ZQ110 prints at speeds up to 3.5 inches-per-second and is designed with “sleep mode” to conserve battery power.

Maintain robust and reliable connectivity on the go. The ZQ110 is MFi certified and supports Bluetooth connectivity to a range of mobile devices. Users can opt for 802.11b/g/n WLAN capability for applications requiring more secure network connections.

Enhance your business services with additional options and features. The ZQ110 supports an optional encrypted 3-track Magnetic Stripe Reader (MSR).

For more information about the ZQ110 mobile printer, visit www.zebra.com/zq110 or access our global contact directory at www.zebra.com/contact
**Built for You, Backed by Zebra**
Protect your bottom line without sacrificing important services. The ZQ110 is Zebra’s most affordable mobile receipt printer and can be used in a variety of applications.

Strengthen your business with the support that comes with the Zebra brand. With Zebra’s reliable network of service technicians, hardware and software issues can be addressed quickly, regardless of location or time.

**Work with confidence.** The ZQ110 has been tested for maximum interoperability when using the printer with validated terminals. Zebra’s Independent Software Vendors (ISVs) create industry-leading software solutions to solve your business problems. Zebra works closely with these ISVs to integrate printing and other capabilities of Zebra products. Zebra-validated applications can be found at [www.zebra.com/validation](http://www.zebra.com/validation).

### Genuine Zebra Supplies

Ensure consistent print quality, reduce downtime and increase productivity in your printing process with genuine Zebra supplies. We manufacture each supplies product with the exact same materials every time so you always get crisp, readable and scannable output without needing to adjust the printer darkness setting between rolls.

### Zebra OneCare Services

Increase printer uptime and reduce lost productivity and unbudgeted repair costs by purchasing a Zebra OneCare service agreement. A cost-effective means of planning and budgeting for your annual maintenance expenditures, your agreement ensures that trained Zebra technicians will bring your printer back to factory specifications. Zebra offers a variety of plans to fit your budget and business needs.
ZQ110 Specifications

**PRINTER NAME**

ZQ110

**STANDARD FEATURES**

- Apple iOS, Android and Windows Mobile connectivity
- Direct thermal printing of barcodes, text and graphics
- 203 dpi resolution (8 dots per mm)
- Print speed up to 3.5' / 90 mm per second (receipt)
- ESC/POS programming language
- Resident fonts
- 4 MB Flash supports downloadable programs, receipt formats, fonts and graphics; 64 KB receive buffer
- USB port
- 7.4V Li-ion, 1200 mAh battery; rechargeable
- Optical out of media sensing using fixed center position sensor; media cover open sensor
- Belt clip for unobtrusive and convenient printing
- Tear bar for easy receipt dispensing
- Supports vertical and horizontal printing
- Fixed media roll width
- "Clamshell" design for easy media loading
- Five LEDs as User Interface indicators
- Tolerant of multiple drops from 4’ (1.2 m) to concrete
