

# LaserBand2 Dura Adult Wristband

Zebra's self-laminating LaserBand2® Dura direct print laser wristbands feature a classic design that delivers improved comfort and ease of assembly over LaserBand Original.

Zebra's self-laminating direct-print laser wristbands feature the ability to print wristbands and labels on one sheet utilizing existing laser printers.

- Patented self-laminating seal protects the wristband from moisture and hand-sanitizers, preserving patient data for longer wristband usability.
- Ability to simultaneously print patient chart labels and the wristband on one sheet, streamlining patient admissions.
- Hole-punched for securement into patient charts.
- Adhesive-free zones around form edges and holes prevent printer jams and reduces costly printer maintenance.
- Enables quick deployment of a barcoded wristband solution without the need for a separate printer for wristbands.

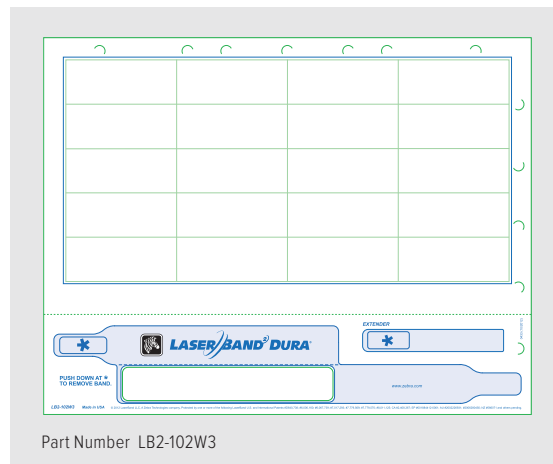

#### Features Include:

- Self-laminating design protects printed text and barcodes
- A wristband extender to fit a wide range of wrist sizes
- Tamper-evident
- Adhesive closure
- Latex-free
