

Zebra's Device Rental Service

When you increase your workforce to satisfy seasonal demand, Zebra's Device Rental Service provides extra devices when you need them—with no upfront costs.

You depend on your temporary workers during your busiest times. Whether they are serving customers or taking year-end inventory, you need to put a Zebra device in their hands to maximize productivity. And with Zebra's Device Rental Service, it's easy.

Ready to use, right out of the box

Put your rentals to work the day they arrive—your business applications, software and settings are pre-loaded.

All-inclusive

There are no hidden costs. From delivery to your facility to shipment back to Zebra, everything is included in your rental service.

Cost-effective

Swap a major expense for a minimal cost—no need to purchase, manage or store new devices.

Flexibility to meet any rental need

Rent the number of devices you need for however long you need them, with a minimum of 250 devices for 4 months. And, if you need to extend your rental, we make it easy with renewal options.

World-class support

Rentals are backed by a Zebra OneCare™ Essential maintenance plan that includes accidental damage, technical support, software support, commissioning, and battery maintenance. And, you can upgrade to Zebra OneCare Select for 24x7 support and next-business-day replacement of devices needing repair.
