

Zebra® Custom Laminate Quote Request Form

1. Contact your Zebra account representative to discuss custom laminate solutions for your business.
2. Complete the following Custom Laminate Quote Request Form.
3. Review Zebra's **Artwork Formatting Requirements** (below) for important details about custom artwork.
4. Submit the completed custom laminate quote request form and accompanying artwork to your account representative. You will receive a quote within 1-3 days after submitting your quote request form.
5. Review the price quote. If you would like to make changes to your order, please work directly with your account representative.
6. Approve the project price quote.
7. Follow Zebra's **Artwork Approval Process** (below). This process must be completed prior to submitting your final custom laminate order.
8. Receive custom part number from Zebra.
9. Submit purchase order to your account representative.
10. Zebra will provide an order acknowledgment, including an estimated delivery time for your custom laminate order to be completed and shipped.
11. The production of the custom laminates and lead time provided in the quote will not begin until Zebra obtains the approved artwork and a purchase order with the laminate part number.

Artwork Formatting Requirements

Please submit a digital image of your artwork according to the specifications below. Note: Any changes to artwork submitted after you receive your price quote may alter the final cost of your custom laminate order.

Software:

- CorelDraw and Adobe Illustrator (outlined vector .eps files) are preferred programs for artwork submission files.

High-Secure Artwork Specifications:

- If you selected the Pseudo Color security feature, please specify the colors that will appear in your image.
- If you selected the Micro- or Nano-text feature, please provide the text you would like to appear on the laminate. Text should be written in block letters and should contain no more than two lines.

Resolution:

- High-resolution files (600 dpi or more) are preferred.
- Artwork fee may apply if low-resolution files are provided.

Artwork Approval Process

To best meet our customers' expectations, Zebra will not process custom laminate orders until all artwork submissions are reviewed and approved by the customer. An artwork template will be provided for your approval.

1. Thoroughly review the electronic art proof sent to you by your Zebra representative.
2. If changes are required, please note your changes on the art proof (manually or electronically).
3. Send the edited art proof back to your Zebra representative.
4. Zebra will supply new artwork reflecting your changes.
5. If more edits are required, please repeat action items 2 through 4.
6. Sign and scan/fax the approved electronic art proof to your Zebra account representative.

Note: Approved electronic proof for artwork must be signed for orders to be processed
