

EMEA ZIPZEBRA SOLUTIONS

Navigate the catalogue

To search an item, simply select from the Dropdown Menu, Carousel or Predictive Search Bar.

The screenshot shows the Zebra ZipZebra Solutions website. At the top, there is a Predictive Search bar with the placeholder text "Enter keyword, Product name or Part Number". Below the search bar, there is a Dropdown Menu with options: Ribbons, Wristbands, Receipt Paper, Tags, and Labels. The main content area features a Highlights Carousel with a promotional banner for Zebra ribbons that says "Zebra ribbons guarantee premium print quality and performance consistency." and a "SHOP RIBBONS" button.

- Predictive search** – Enter Part Numbers, Keywords or Product Names in the predictive search bar to display a range of suggested products related to your search. From here you can also **Add to Cart**.

The screenshot shows the Zebra ZipZebra Solutions website with the Predictive Search bar containing the text "1000". Below the search bar, a list of suggested products is displayed, each with a "Direct SKU" and an "ADD TO CART" button. The products listed are:

Direct SKU	ADD TO CART
10006995-RK	ADD TO CART
10006995-7K	ADD TO CART
10006995-1K	ADD TO CART
10006995-6K	ADD TO CART
10006995-5K	ADD TO CART

The main content area below the carousel shows a promotional banner for Zebra ribbons with the text "Zebra ribbons guarantee premium print quality and performance consistency." and a "SHOP RIBBONS" button.

- Highlights Carousels** - From the Carousel you can navigate directly to Shop Labels, Shop Wristband or Shop Ribbons. Click on the lines below the promotional carousel to view features products. The blue line represents the feature you are currently viewing, the grey lines represent the other available featured products.

3 Dropdown Menu - Select a category from the drop-down menu to find and display a range of products related to your selection.

Product list page - Filters

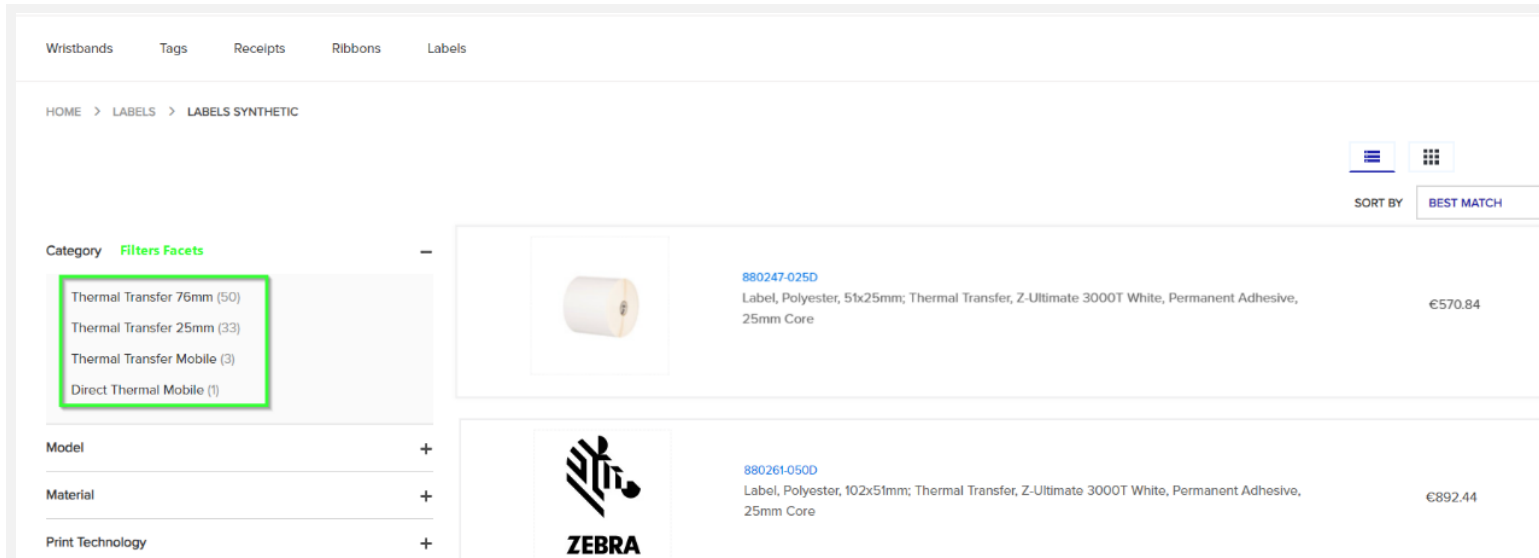

Product Listing Page displays multiple products related to your search or menu selection

Filters are featured throughout Zip Zebra site. User selections provide detailed results based on Category, Model, Material, Printer type and many other attributes related to the product being filtered. Below is an example of the filter available on the portal, however varying filters display depending on the product being viewed.

1 From a **Product Listing Page**, select **attributes** from the **Filters Panel** listed on the left to display filtered results:

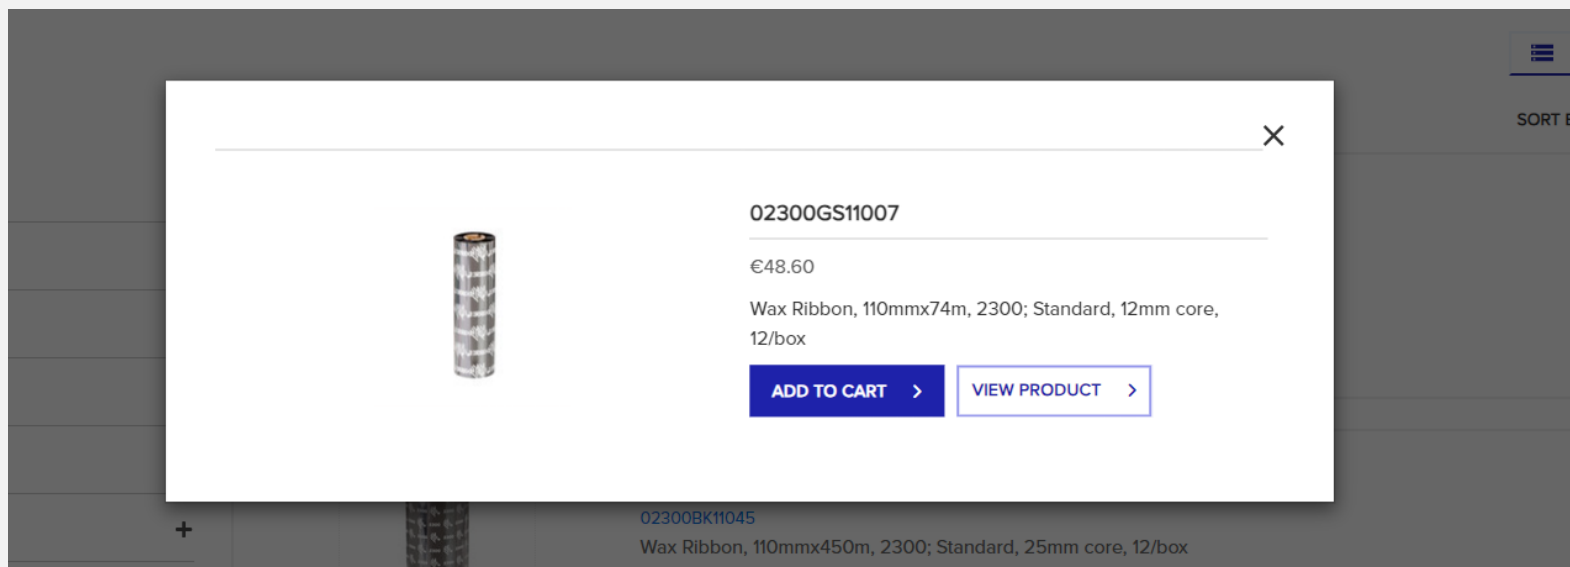

2 Quick View option appears when you hover your mouse pointer over a product picture (Zebra head).

3

By selecting **Quick View** a pop-up window opens with the basic product information such as a part number, price and product description. You have an option either to **Add to Cart** or **View Product** – you will be directed to the SKU Product Detail Page.

Product Detail Page

Product Detail Page displays detailed information related to a specific SKU that is displayed. It also includes the selling price, Unit of Measure, Number of rolls in a box/case (if applicable), dimensions etc. You can also select from here either **Add to Cart** or **Add to Wish List**.

€48.60

Wax Ribbon, 110mmx74m, 2300; Standard, 12mm core, 12/box

- The 2300 ribbon is a standard wax ribbon offering good durability and high-quality rotated barcodes.
- Suitable for printing on uncoated and coated paper labels and tags
- Ability to print up to speeds of 304mm/sec (12ips) and 152mm/sec (6ips) for rotated barcodes
- Recommended for use in general purpose labeling, shipping and receiving, inventory tracking, warehousing
- Wax ribbons work best with paper materials when fast print speeds are required, and in applications with li
