## Zebra Solutions:

Creating Operational Efficiency and a Safer Environment Using Real-Time Data

# Zebra Technologies.

## Powerful Solutions for Energy and Utilities.

### Barcode/RFID Scanners

A wide option of capabilities available such as reading barcode or RFID labels from inches away, to 30 feet away. Compatible with all Android™, iOS® or Windows® mobile computers.

### Mobile Computers

Your choice of short, medium, or long-range scanning, Push-to-Talk capabilities, and a 10-foot drop specification

### Rugged Tablets

Options include 4G/5G, CBRS/Private LTE, and Wi-Fi 6/6E capability. Windows or Android OS, world-class data capture and always, the highest level of security

### Printers and Supplies

A full printer portfolio ranging from lightweight, rain/snow resistant mobile printers to industrial printers with RFID/Barcode and wide-format capabilities. Performance tested Zebra-certified supplies are available for all your printing needs.

## A Sampling of Zebra's Software Vendor Partners:
