

One device purpose-built for the whole shift

Your care teams get everything they need right at their fingertips. Unlike consumer devices, it's built to keep pace with patient care, and stay accounted for, every step of the shift.

Here's how it works:

Zebra mobile computer advantages

- Reduced patient wait time by **50%** with faster processes²
- Improved patient response time by **50%**²
- Achieved **94%** Bar-Code Medication Administration (BCMA) average compliance rates³
- Streamline workflows for more time with patients
