Thermal Printers
Print Confident. Print Secure. Print Zebra.
Print Confident.  
Print Secure.  
Print Zebra.

You don’t have time for printer failure. Printers should perform flawlessly, almost invisibly. But when they’re down, so are your operations. Remove the hassle with Zebra.

From simplified setup to quality construction to performance-enhancing Print DNA software toolset, our printers are designed to be self-reliant, durable and endlessly eager to work. Going beyond just hardware, they deliver autonomy, intelligence and—unlike other brands—security, giving you peace of mind and a genuine sense of protection.

Print with confidence knowing you have a partner with 50 years of thermal printing innovation by your side.

Don’t Compromise.  
Get It All With Zebra.
Relentless Performance in Any Environment

Printing must happen, no exceptions. If warehouses can’t print shipping labels, customers can’t get products. If drivers can’t print receipts, invoices can’t be processed. And if you can’t print ID access cards, then security could be a concern. Get it done with Zebra thermal printers. They’re designed with one purpose—to help you perform your best. In any environment. Any application. Any condition.

Transportation and Logistics
Deliver non-stop service from the first mile to the last

- Cross-docking and stocking
- Picking and packing
- Shipping and receiving

- Inventory management
- Proof of delivery
- Rental car return

Manufacturing
Ratchet up productivity from the plant floor to the front door

- Work in process
- Compliance labeling
- Parts management

- Equipment maintenance
- Traceability
- Quality assurance

Healthcare
Strengthen patient safety from admissions to discharge

- Positive patient identification
- Laboratory/pharmacy management

- Asset management
- Accurate specimen labeling
- ID and access control

Retail and Hospitality
Give customers an experience that keeps them coming back

- Product pricing
- Cycle counts
- Mobile point of sale
- Proof of purchase

- Gift and loyalty cards
- Event and season passes
- ID badges
- Membership cards

Government
Improve services and safety with fast, accurate printing that’s secure

- E-citation
- Health and human services
- Emergency management
- Military supply chain

- Identity management
- Code inspections
- Exchange services

Warehouse
Connect each operational area in your warehouse to give you the agility to realize transformational gains

- Cross-docking and stocking
- Picking and packing

- Shipping and receiving
- Inventory management
Printers Are a Start
But a complete enterprise solution should go end-to-end

When you're looking for enterprise solutions, look beyond printers. Consider intelligent mobile computers, multi-tasking tablets and accurate scanners that integrate easily, pair instantly and talk freely to one another. If you top the hardware with Zebra's support, visibility, and professional and learning services, you can reduce device vulnerabilities and maximize uptime and productivity—making it easier for you to integrate new technologies into your customers' existing IT environments and workflows. Think how much better that would make management, usage and sharing of critical information.

Reliability and peak performance are also a must. You'll have that with Zebra's edge-to-edge portfolio. Each device is strong alone. Yet together, they'll make your workers unstoppable.
Did That Come Out Right?
Zebra certified supplies for hassle-free printing

Zebra Certified Supplies provides the most consistently outstanding quality, performance and service so you never have to worry about thermal printing supply issues interrupting your operations.

Zebra Supplies Offering

Barcode Labels and Tags
From synthetic materials to basic paper solutions, challenging environments to compliance, hard-to-label surfaces to easy-to-remove labels, or tamper-evident to tear-proof, we have more than 90 certified material options to meet your unique needs. With over 400 items in stock and extensive custom capabilities, we can provide a solution for virtually any application.

Thermal Ribbons
Choose from wax, wax/resin and resin formulations to meet the durability demands of your application when ideally matched to our thermal transfer materials.

Hospital Bracelet and Patient ID Wristbands
Zebra offers thermal, laser, RFID and alert wristbands that remain scannable throughout the average patient stay. We can meet the unique needs of your patient population and workflows—from general patient population to labor and delivery, to neo-natal, to outpatient service.

Event Wristbands
Our broad portfolio of print-on-demand thermal barcode and RFID wristbands enables the implementation of cashless POS, entry management, the reduction in ticket fraud, simplified transactions and the tracking of guests’ last best-known location.

Receipt Paper
Our portfolio of receipt paper options meet your brand image and application durability, image quality and archival requirements, as well as your budget.

RFID Labels and Tags
Choose from our large selection of in-stock RFID labels, tags and wristbands, or we can create a custom solution including inlays and chips from leading brands integrated into one of our over 100 pre-tested thermal materials in any size and configuration.

Print Confident. Print Quality. Print Zebra.

Rigorously tested
Our 23-point inspection keeps work and printers from coming to a standstill.

Consistent quality
The use of consistent materials ensures reliable performance from order to order, preventing downtime and the need to adjust printer settings.

Zebra printer compatibility
Compatible inks, varnishes and tools ensure printers and workflows don’t break down.

Stringent standards
Our supplies are designed to meet industry standards, so you can meet compliance goals.

Non-abrasive
Sandpaper-like label surfaces cause printhead elements to fail prematurely, resulting in unreadable labels.

Made tough
You work in hot, cold, damp and dusty environments. So do our supplies.

RFID Printing and Encoding Service
Get as little as 1,000 serialized pre-printed and encoded RFID labels to your specifications to support pilots and compliance needs without having to invest in an RFID printing solution.

Environmentally sustainable solutions
We are dedicated to providing a range of pre-tested, high-quality environmentally friendly supplies to help you meet your sustainability goals.
Industrial Printers
Industrial strength for industrious workers

Zebra industrial printers are designed for harsh and demanding environments. With rugged durability and future-proof adaptability, our user-friendly barcode label and RFID printers are designed to provide 24/7 reliability. Don’t compromise. Choose Zebra for your high- to mid-volume applications.

All Zebra Industrial Printers have a 2-Year warranty as standard*. All Industrial Printheads for current models have a 1 year, or 1 million inches (whichever comes first) standard warranty.

*Zebra 220Xi4 has a 1-Year warranty as standard
ZT231
Smart features. Small investment. Big payoff.
A feature-packed printer at a value class price.

Features
• 4.3-inch full-color touch display for ease of use and status at a glance
• UHF RFID printing and encoding for greater visibility and tracking
• Compact footprint

Portfolio Differentiators
• Moderate-duty cycle
• Print DNA software suite gets your printer up and running quickly and securely

ZT400 Series
Sturdy, simple, smart
Rugged durability, designed to grow with your evolving business needs.

Features
• 4.3-inch full-color touch display for quick settings changes
• Tool-less printhead and platen roller replacement
• RFID available on both 4-inch and 6-inch widths
• RFID On-Metal solution available for ZT411 (203 and 300 dpi only)

Portfolio Differentiators
• Moderate- to high-duty cycle with a wide variety of features
• Ideal for industrial environments
• Print DNA software suite gets your printer up and running quickly and securely

ZT510
Essential features for heavy-duty printing
An ideal balance between performance and value with essential features for heavy-duty printing.

Features
• All metal construction supports continuous performance without throughput delays
• Icon-based, multilingual graphical LCD user interface is intuitive to operate

Portfolio Differentiators
• Limited feature set
• High-duty cycle for mission-critical operations in the toughest environments
• Print DNA software suite gets your printer up and running quickly and securely

ZE500 Series
Mission critical doesn’t compromise
OEM print engine for print-and-apply labeling applications.

Features
• Intuitive full-color, 4.3-inch color touch display that can be rotated
• High print speeds to keep up with fast paced operating lines
• Industrial all-metal construction
• Designed to be integrated into a print-and-apply solution

Portfolio Differentiators
• RFID available on 4-inch and 6-inch print width models
• High-duty cycle in the toughest environments
• Print DNA software suite gets your printer up and running quickly and securely
Desktop Printers
Made to fit your needs, space and budget
Zebra desktop printers are compact, simple to operate and offer the durability your business demands for low- to mid-volume printing. Don’t sacrifice performance for savings. Zebra has a desktop printer at every price point for all your barcode label, receipt, wristband and RFID applications.

All Zebra Desktop Printers have a 2-Year warranty as standard*. All Desktop Printheads for current models have a 1 year, or 1 million inches (whichever comes first) standard warranty.

**ZD200 Series**
Unmistakable quality at an exceptional value
Simple operation, basic feature set, exceptional value.

**Features**
- 4-inch print width, compact design, easy media loading
- Quality dual-wall construction
- USB connectivity, single LED status
- Direct Thermal and Thermal Transfer models available

**Portfolio Differentiators**
- Value-class printer offers reliability at an affordable price
- Core set of Print DNA Basic applications and capabilities
- A white version of the ZD230 is available for pharmacy retail

**ZD411 Series**
The “fits anywhere” printer
Advanced, “fits anywhere” 2-inch printer, easy to use with an intuitive interface.

**Features**
- Multiple options (peeler, cutter, Ethernet, battery)
- Variety of connectivity options
- Direct Thermal, Thermal Transfer and Healthcare models available
- 203 and 300 dpi available

**Portfolio Differentiators**
- Designed to fit almost anywhere and support virtually any 2-inch printer use case
- Print DNA software suite gets your printer up and running quickly and securely

*Dependent on model and configuration.
### ZD621 Series
**Premium features and maximum performance**

Invest in the best for years of quality and secure printing.

**Features**
- 4-inch print width, 8 ips max print speed
- 203 and 300 dpi available
- Compact design, intuitive interface, large capacity ribbon
- Intuitive color touch display (standard on healthcare and RFID models)
- Direct thermal, thermal transfer, health care, RFID and Linerless models available

**Portfolio Differentiators**
- Multiple options including peeler, linerless, cutter, color LCD
- Media and connectivity field-upgradeable, including wireless
- Full-width moveable and multi-position media sensors
- Print DNA software suite gets your printer up and running quickly and securely

---

### ZD421 Series
**Premium features and ease of use**

Elevated features, flexibility, reliability and security.

**Features**
- 4-inch print width, 6-ips max print speed, large ribbon capacity
- 203 and 300 dpi available
- Multiple options (peeler, cutter, Ethernet, battery)
- 5-status icons and 3-button UI
- Direct Thermal, Thermal Transfer, Healthcare and Cartridge models available

**Portfolio Differentiators**
- Mid-range desktop printer with advanced features
- Easy ribbon loading cartridge model available
- Field-upgradeable media handling and connectivity options, including wireless
- Full-width, moveable and multi-position media sensors
- Print DNA software suite gets your printer up and running quickly and securely

---

### ZD510-HC
**Wristbands printed by a specialist**

Dedicated wristband printer for healthcare or hospitality.

**Features**
- Easy media loading cartridge for fast-paced environments
- Ultra-compact, quiet operation
- Disinfectant-ready, UV-resistant

**Portfolio Differentiators**
- Wristband cartridge features anti-microbial coating that protects wristband from degradation, and 6x more durable than the leading competitor
- Print DNA software suite gets your printer up and running quickly and securely

---

### ZD611 Series
**Compact without compromise**

Premium features in a 2-inch desktop printer.

**Features**
- 2-inch print width, 8 ips max print speed
- 203 and high resolution 300 dpi available
- Color touch display standard on thermal transfer models
- Direct thermal, thermal transfer, healthcare, linerless and RFID models available

**Portfolio Differentiators**
- UHF RFID printer/encoder in 2-inch desktop printer
- Multiple options including peeler, cutter, linerless, battery
- Field upgradeable media handling and connectivity
- Full-width moveable and multi-position media sensors
- Print DNA software suite gets your printer up and running quickly and securely

ZQ300 Series
The little printers that deliver big value

Printer series designed specifically to address vertical market applications.

Features
- Mid-range 2- or 3-inch printers for moderate receipt, label and linerless printing
- Multiple charging options available for use in-vehicle or in a settlement room, including convenient USB charging
- Better battery management with high-capacity PowerPrecision+ battery, sleep mode and power smart print technology

Portfolio Differentiators
- Different designs based on vertical application
- Common accessories for use with both the ZQ300 and mobile computers for lower TCO
- Print DNA software suite gets your printer up and running quickly and securely

ZQ500 Series
For the rough and tumble world

The industry’s most rugged mobile printer.

Features
- High-duty cycle receipt and medium-duty cycle label printing on-the-go
- Linerless versions available
- Fast print speed with up to 5 ips
- Full range of accessories including an exoskeleton for extra ruggedness
- Cloud Connect and simultaneous WLAN/Bluetooth®

Portfolio Differentiators
- IP54 rating out of the box without a protective case, IP65 when using the exoskeleton case
- Tumble tested per the IEC 68-2-32 spec to handle 1,300 tumbles from 3.3-feet
- 6.6-foot drops to concrete, 10-foot drop to concrete when using the exoskeleton
- MIL-STD-810G: shock, vibration and temperature exposure
- On-demand UHF RFID printing and encoding
- 2-year standard warranty (ZQ511/ZQ521)
- Print DNA software suite gets your printer up and running quickly and securely

ZQ600 Series
Zebra’s most versatile mobile printer series

Latest wireless connections for fast, reliable and secure printing.

Features
- Optimized for heavy-label printing with receipt printing capabilities
- Large color display for easy configuration and operation
- Comprehensive remote management tools
- Superior battery power and power management with PowerPrecision and Power Smart Print Technology

Portfolio Differentiators
- Widest variety of accessories including forklift mount and Ethernet cradle
- Healthcare model available and Linerless models available
- On-demand UHF RFID printing and encoding (ZQ630 only)
- Print DNA software suite gets your printer up and running quickly and securely
**Card Printers**

Capabilities with credentials

Zebra card and badge printers make it easy to connect, create and print high-quality, durable cards for a variety of applications. Whether you’re printing ID cards, hospitality badges or financial cards, Zebra printers offer the security, supplies and software you need for a full solution.

---

**ZC100**

Simple, secure, single-sided printing

Compact size facilitates front-office deployments.

**Features**
- Easy to use
- Quick access to service and support tools
- Tips through NFC and QR code tags
- 3-year warranty including Printhead

**Portfolio Differentiators**
- Single-sided printing
- Optional magnetic stripe encoding

---

**ZC300 Series**

You’ve tried hard, now try easy

Easy set-up with painless plug-and-play deployment.

**Features**
- Single- or dual-sided printing
- Multiple encoding and connectivity options
- Support for multiple languages
- 3-year warranty including Printhead

**Portfolio Differentiators**
- Highly graphical, color LED interface with well-tested icons, animations and messages
- Intuitive card feeder automatically adjusts for varying card thickness
- Printer cover lock prevents theft of card stock

---

**ZC10L**

Exceptional large-format cards and badges

Edge-to-edge personalization, rugged design.

**Features**
- Single-sided dye sublimation printer
- Color and monochrome ribbons (RFID tagged)
- Specialized PVC cards
- 1-year warranty as standard

**Portfolio Differentiators**
- Prints large, oversized cards and badges
- Edge-to-edge printing
- All metal construction to handle shock, bangs and bumps
ZXP Series 7
Highest operational efficiency with great output
Fast and effortless card printing.
Features
- Processes up to three jobs simultaneously
- Quick access to service and support tools
- Tips through NFC and QR code tags
- Waste-free, single- or dual-sided lamination
- Single- or dual-sided printing
- 2-year warranty including Printhead
Portfolio Differentiators
- Robust design for a variety of applications
- High-capacity ribbon rolls require less operator time to change supplies
- UHF RFID encoding and 802.11 b/g wireless connectivity

ZXP Series 9
Fast throughput with fantastic output
Ensure security with built-in fraud protection.
Features
- Stunning photo-like cards
- Data encryption, host authentication and custom holographic laminates
- Edge-to-edge card printing
- 2-year warranty, plus lifetime warranty on Printhead
Portfolio Differentiators
- Zebra’s only retransfer card printer
- Dual-sided simultaneous retransfer process provides encoding and laminating throughput
- Transfer film easily shows tamper evidence, providing built-in fraud protection

ZEBA TECHNOLOGIES 13
Zebra Print DNA
Your printer’s built-in advantage

With advances in technology continuously accelerating, it’s the software inside your printers that determines whether they remain relevant, agile and high-performing with a strong ROI over their entire lifecycle. That’s why Zebra printers come with a built-in advantage: Zebra Print DNA.

Integrate
Effortlessly customize and integrate your printer apps for multiple environments and infrastructures
- Securely connect printers into cloud-based apps
- Integrate apps into systems with less cost and effort
- Add label and receipt printing to mobile solutions

Optimize
Offer everyone super simple, reliable printing to make their job so much easier to do
- Emulate legacy command languages
- Ensure continuous output with battery insight
- Quickly pair printer with mobile devices

Manage
Enable IT to remotely and conveniently manage and maintain printers anywhere, anytime
- Minimize printer management time and costs
- Assess real-time metrics on printers
- Connect printers to popular EMM solutions

Secure
Give IT the ability to uncover potential printer security vulnerabilities and defend against cyber attacks
- Auto-update Wi-Fi certificates
- Uncover vulnerabilities by comparing settings against security best practices
- Only allow software and firmware signed with approved keys to execute

Deploy
Accelerate printer fleet rollouts with an easy-to-use setup wizard, remote access and streamlined steps
- No specialized knowledge required
- The setup wizard detects your printers
- Create a profile and send to many
Zebra Global Services
Maximize uptime and ROI

Constant, peak performance and device uptime. That’s the upside of protecting your Zebra investment with our maintenance services. Eliminate unexpected disruptions, unbudgeted repair expenses and so much more. Whether you need comprehensive coverage, advanced device replacement, on-site support, assistance with technical issues and device firmware support, or visibility into your contracts, repair data or tech support cases, there’s a Zebra service that’s right for you.* And you can optimize and customize your plan to fit your specific business-critical needs with additional flexible service enhancements that provide expedited repair and shipping, battery maintenance, device commissioning and configuration, managed services and more. Zebra’s portfolio of services provides expertise every step of the way.

Zebra OneCare® Maintenance Plans
Zebra plans protect the investment in the devices that run your business by maximizing predictable performance and uptime to support your critical operations and improve business outcomes.

Zebra Signature Services
Zebra Signature Services makes it easier to integrate new technologies into your existing IT environments and workflows. Data insights from edge technologies can open up new business opportunities, but without the right skills or resources, you could miss out on the full benefits. Zebra Signature Services gives you the expertise to optimize the adoption of edge-data solutions to run your business more productively.

Learning Services quickly brings employees up to speed with a variety of modalities like Video on Device, Know It Now, instructor-led training and virtual-led training sessions that support rapid return on your technology investments.

Software Integration creates a migration pathway for legacy mobile apps to help you quickly and cost-effectively customize mobile applications into your Zebra mobile devices, making it easier for you to manage your software.

Zebra VisibilityIQ Foresight*
Provides device health and utilization insights. The insights provide historical data trending, current state health and actionable predictive intelligence on what will occur if no action is taken. Its multi-source data aggregation and machine learning algorithms deliver a consolidated solution that provides color-coded insights with threshold alerts about your device inventory.

* Service availability, Service feature and/or repair turnaround time may differ by country.
Please contact your Zebra sales representative for details.
** VisibilityIQ OneCare available for mobile computers and scanners only
