# Transporting Cargo Safely and Securely
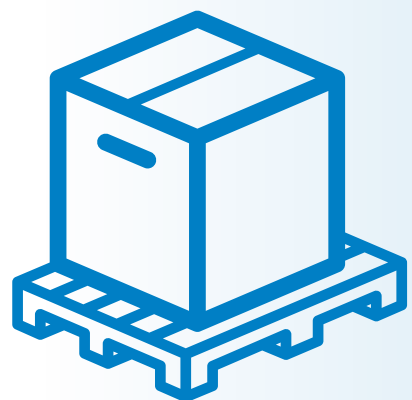

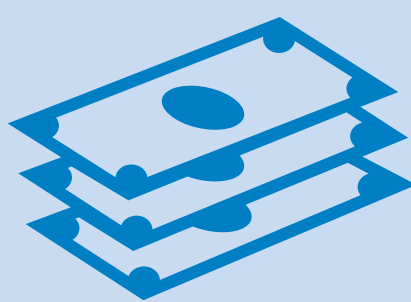

**ZEBRA**

Over **52 million metric tons** of goods a year → **The airline industry transports** → More than **35% of global trade** value
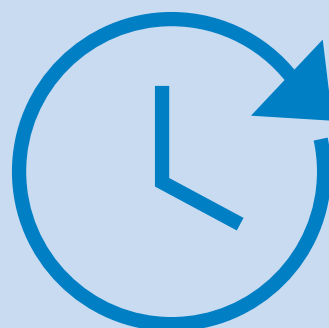

By replacing paper-based processes and automating workflows with mobile robots, computing solutions, scanners, printer and supplies, airlines can:
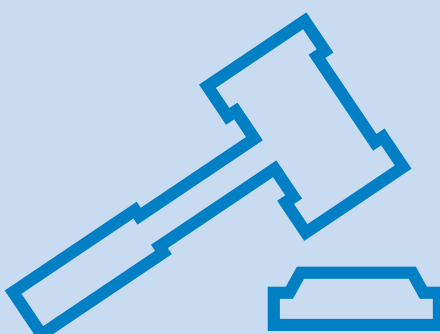

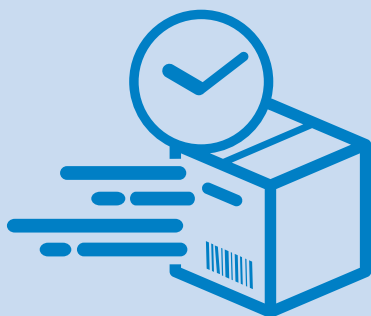

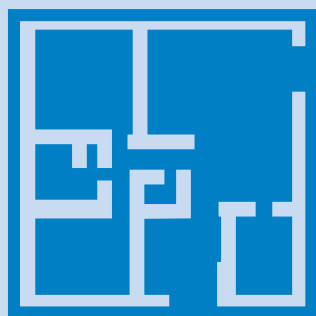

**Reduce Costs**

**Minimize Errors**
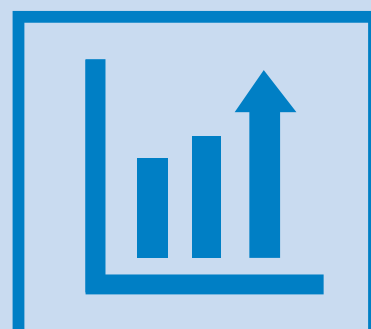

**Speed Verification Document**

**Factory Regulatory Compliance**

**Accelerate Turnover Times**

**Enable More Profitable Space Allocation**

**Boost Operational Efficiency**

**Expedite Cargo Processing**

**TC58**

**TC78**

**Pallet Transport 1500**

**ZQ521**

Zebra **Workcloud** Communication™
