

ZMotif™ CardStudio™ Card Printer Software

SEE MORE. DO MORE.

Fast and Easy Way to Create Great-Looking Cards

Zebra® ZMotif CardStudio is an easy-to-learn, easy-to-operate professional card-design and card-issuance software suite. Whether you're creating simple or complex designs, CardStudio offers a version for every application with three editions: Classic, Standard and Professional. Compatible with all current and

legacy Zebra card printers — including both direct-to-card and retransfer — CardStudio makes designing, encoding, printing and connecting to databases fast and efficient. And the option to print via direct-to-printer (D2P) technology optimises print quality and ensures seamless design and card encoding.

Ideal for:

- ID Cards
- Access Control
- Retail & Loyalty Cards
- Clubs & Associations
- Schools & Libraries
- Visitor Badges

Get the most out of your Zebra printer: put genuine Zebra supplies in!

Zebra offers a wide range of supplies for your Zebra printer, all made to a high standard and suitable for a variety of applications.

- Manufactured exclusively for Zebra printers
- Laboratory-tested for optimum performance
- Proven to minimize wear and tear on printheads

CARDSTUDIO FEATURES

ZMOTIF CARDSTUDIO CARD PRINTER SOFTWARE

Easy Upgrades and Demo Edition Available

Protect your investment with software license key upgrades — no hardware or dongle required. Upgrades from the Classic and Standard editions to the Professional edition are available with the simplicity of a software license key. Face Snap plug-in is also available as an option for automatically cropping and optimizing images for production.

To download a demo version or to upgrade your software, visit www.zebra.com/cardstudio.
