Zebra Technologies Corporation
Legal Metrology

The first step of the verification has been carried out at the manufacturing plant. It comprises all tests according to EN 45501-8.3.3.

Scanner/Scales defined for Gravity Zones and marked with Latitude and Elevation range can only be used in predefined zone and are ready for immediate use.

Scanner/Scales not defined for Gravity Zones (unmarked Latitude and Elevation range) and unsealed are NOT LEGAL FOR TRADE UNTIL VERIFICATION PERFORMED BY ZEBRA TECHNOLOGIES AUTHORIZED SERVICE CENTER. Please contact a Zebra Technologies authorized service center for assistance.

Connection of the NAWI to a Point of Sale (POS/PC) system requires POS manufactures or owners of the equipment to ensure Declaration of Conformity for complete system.
