

REACH Declaration

Zebra Technologies recognizes the importance of understanding its environmental responsibilities and complying with applicable laws and regulations to minimize adverse effects on human health and the environment.

Zebra's Global Environmental Compliance Specification ([CPZ-CE-010](#)) details substances that are banned, restricted, targeted for reduction in the future, or required to be reported in its products and product packaging. This Environmental Specification is integrated into Zebra's design guideline requirements, and product development processes. It is further included in Zebra supplier requirements and is available online (www.zebra.com/compliance-scf).

The European Chemicals Agency (ECHA) manages the REACH regulation 1907/2006, including the candidate list of substances of very high concern (SVHC), and Annex XVII listing restricted substances. Article 33 of REACH requires a supplier of articles containing a listed candidate SVHC in a concentration above 0.1% weight by weight (w/w) to provide the recipient with sufficient information, available to the supplier, to allow safe use of the article including, as a minimum the name of that substance.

Products that may contain an SVHC are safe when used as intended, and in accordance with the applicable usage instructions.

REACH Declaration for Zebra Technologies' Products:

*Note that a listing of the substances below does not imply that the substance is found in all article types listed below.

The list was last updated on 15 January 2019

Substance of Very High Concern	CAS number	Article Type
Cadmium	7440-43-9	Electroplating, pigments, alloys
Diboron trioxide	1303-86-2	Glass in various components
Diazene-1,2-dicarboxamide (C,C'-azodi(formamide))	123-77-3	Azo Dyes in Cables
Orthoboric Acid	10043-35-3	Various electronic components
1,3,5-Tris(oxiran-2-ylmethyl)-1,3,5-triazinane-2,4,6-trione	2451-62-9	Epoxy & resins
4-tert-butylphenol	98-54-4	Plastics
4,4'-isopropylidenediphenol (Bisphenol-A)	80-05-7	Plastics, Epoxy resins
N,N-dimethylacetamide	127-19-5	RF MW Circuit, Aramid Paper
4,4'-oxydianiline and its salts	101-80-4	Inductive components, Azo Dyes in Plastic & Tapes
Lead	7439-92-1	Various components (only applications covered by EU RoHS exemption)
