Installation Instruction

Mississauga, Ontario
Canada

DESCRIPTION: DOCUMENT SCANNER MNT INSTALL

NOTE - FOR SUPPLIER/VENDOR:

- THIS DOCUMENT HAS A TOTAL OF 5 PAGES, INCLUDING COVER SHEET
- ALL PAGES, EXCLUDING COVER SHEET, ARE REQUIRED FOR CUSTOMER INSTRUCTION
- **DO NOT** INCLUDE FIRST PAGE IN ASSEMBLY PACKAGE
Installation Instruction for MT3601-10/12 Scanner Right Side

Installation

**Step 1:** Place the threaded bolts on the Spring Bracket (A) through the long slot on the Angle Bracket (B) and fasten using two M4 hexagon Nuts (C) as shown in Figure 1. Torque to 18 lbf-in.

</tr>
</tbody>
</table>

**Step 2:** Slide the accompanying protective caps (E) over the ends of the Connecting Plate (D) to avoid damage to the scanner or injury to the user. See Figure 2.
Step 3: Place the threaded bolts on the Connecting Plate (D) into the elongated holes on the Spring Brackets (A) and (F) in position shown. Secure the holder loosely using two M4 hexagon Nuts (C) as shown in Figure 3.

Step 4: Adjust the Spring Brackets (A) and (F) suitably before using the scanner. Temporally place the hand-held scanner into the mounted holder and fasten the two M4 hexagon Nut (C). Torque to 18 lbf-in. Remove the hand-held scanner from the holder.

Step 5: Next attach the holder to the 8580/90 terminal (G) as shown in Figure 4-1 or 4-2 * and Flat Washer (H), through the Angle Bracket (B) into Vehicle Mount Terminal (G). Torque to 26 lbf-in.

* For assembly with RAM mount use M8 x 12 mm Screw (I), see Figure 4-1.
* For assembly with Standard Mount (J) use M8 x 16 mm Screw (K), see Figure 4-2.
Step 6: Connect the hand-held scanner cable to the 8580 / 8590 Vehicle Mount Terminal.

Note: When connecting the hand-hand scanner interface cables to the 8580/90 Vehicle Mount Terminal. The cable cover must be removed and reinstalled correctly. Please ensure you attach the cable cover as per 8580/90 Vehicle Mount User Manual, see section 4.1 complying with Protection Standards IP65. The IP65 protection class can no longer be guaranteed if the cable cover is installed incorrectly.

Appendix A: Support Services and World Wide Offices

Support Services
Psion Teklogix provides a complete range of product support services to its customers worldwide. These services include post-installation technical support and product repairs.

Canada and USA: Technical Support and Repair Services
In Canada and the U.S.A. these services can be accessed through the Psion Teklogix Helpdesk. The Helpdesk coordinates repairs, helps you troubleshoot problems over the phone, and arranges for technicians or engineers to come to your site. Canadian and U.S. customers may receive access to technical support services, ranging from phone support to emergency on-site system support, by calling the toll-free number below, or via our secure web site.

Note: Customers calling the toll-free number should have their Psion Teklogix customer number or trouble ticket number available.

Voice: 1 800 387-8898
Fax: 1 905 812-6304
