Create a Partnership
Install Synchronization Software
Communicate with Host

Insert the Battery
1. Insert the battery, bottom first, into the battery compartment.
2. Press down on the battery until the battery latch snaps into place.
3. Replace the handstrap.

Charge the MC55
Use the Single-slot cradles (USB or Ethernet/Modem/USB), Four-slot cradles (Charge Only or Ethernet) or cables to charge the battery in the MC55. You can also charge a spare battery using the Single-slot cradle.

Charge the Battery
3. Charge the MC55 for at least 12 hours or until the charging status LED is solid amber. If you are using a Four-slot cradle, charge only the battery in the MC55.

Notations
- Charging/Battery Status LED:
  - Slow blinking amber: Battery charging
  - Solid amber: Fully charged
  - Fast blinking amber: Charging error
  - Red: Scanning active
  - Green: Good Decode

Notifications
- Charging/Battery Status LED:
- Scan/Decode LED:

Zebra recommends the continued use of a screen protector to minimize wear and tear. Screen protectors enhance the usability and durability of touch screen displays. Benefits include:

- Protection from scratches and gouges
- Durable writing and touch surface with tactile feel
- Abrasion and chemical resistance
- Glare reduction
- Keeping the device’s screen looking like new
- Quick and easy installation.

Not using a screen protector can affect your warranty coverage. An initial screen protector is already applied to your MC55X. Contact your local account manager or Zebra for more information and purchasing details. Part number: KT-67525-01R Screen Protector 3/pk.

---

### Accessories

**MicroSD Card Installation**

1. Launch a bar code reading application on the MC55X.
2. Position the MC55X toward the bar code.
3. Press the Scan button.
4. In the image window align the red target over the bar code. When the MC55X decodes the bar code the Scan/Decode LED light green and a beep sounds.
5. Release the Scan button.

#### Service and Warranty

MC55X Regulatory Guide

Available with MC55X and at www.zebra.com/support
