GPS Information

When using the GPS feature of the MC9500-K:
1. Press the Power button to turn on the MC9500-K.
2. Tap Start > Programs > Pictures & Videos > Camera.
3. Point the MC9500-K at an object.
4. Press the Enter button.
5. Hold MC9500-K still until “Shutter Sound” is heard.

Zebra recommends the use of a screen protector to minimize wear and tear. Screen protectors enhance the usability and durability of touch screen displays. Benefits include:
- Protection from scratches and gouges
- Durable writing and touch surface with tactile feel
- Abrasion and chemical resistance
- Glare reduction
- Keeping the device’s screen looking like new
- Quick and easy installation.

An initial screen protector is already applied to your MC9500-K. Contact your local account manager or Zebra for more information and purchasing details.

Not using a screen protector can affect your warranty coverage.
