Getting Started

1. Choose a plug for the universal power adaptor. The adapter may already be fitted with the plug you need.

   1. Press the button on the power adaptor to release the plug.
   2. Pivot the existing plug out of the adaptor.
   3. Pivot the desired plug into the adaptor until it clicks.

2. Connect the Docking Station to external power.

   Note: During charge, the LED indicator on the NEO is YELLOW until charging reaches 75%. Between 75% and 95% the indicator flashes GREEN slowly, and, above 95%, the indicator is GREEN continuously.

   The LED indicator on the Docking Station behaves the same when a spare battery is being charged.

3. Insert the NEO to charge its battery.

   Note: Use only the universal AC power supply approved by Psion Teklogix for use with the Docking Station.

4. Insert the spare battery.

   Note: During charge, the LED indicator on the NEO is YELLOW until charging reaches 75%. Between 75% and 95% the indicator flashes GREEN slowly, and, above 95%, the indicator is GREEN continuously.

   The LED indicator on the Docking Station behaves the same when a spare battery is being charged.

Mounting The Desktop Docking Station

The Desktop Docking Station can be fixed to the optional Wall Mount Bracket (model PX3011), or to another surface, by two broad-headed screws.

1. Press the button on the power adaptor to release the plug.
2. Pivot the existing plug out of the adaptor.
3. Pivot the desired plug into the adaptor until it clicks.

DC Input

USB Micro-AB to A cable

The NEO compartment

Mounting screw (quantity 2)

Mounting holes (quantity 2)

Rubber feet (quantity 4)

To connect the Docking Station to a host computer:
The NEO in the Docking Station acts as a USB Client.

1. Connect the smaller end of the USB cable to the Docking Station.
2. Connect the flat end of the USB cable to the host computer.

Dimensions Of Mounting Screws

- Maximum diameter of screw head: 1.05 cm (0.41 in)
- Maximum height of screw head: 0.45 cm (0.18 in)
- Maximum height between screw head and mounting surface: 0.4 cm (0.16 in)
- Maximum diameter of screw shaft: 0.65 cm (0.26 in)

The mounting screws are M4 x 6mm panhead screws.
