#### CARD INSTALLATION

**MicroSD Card Installation (Optional)**

1. Insert the microSD card into the card holder. Push the card all the way into the card holder.

**NOTE:**

Proper position of the microSD card — the card connector (i.e., gold contacts) should be facing down.

2. Replace the access door. Ensure that it is properly seated.

3. Rotate the battery down into the battery compartment and press the battery down until it snaps into position.

#### HANDSTRAP AND BATTERY INSTALLATION

**BATTERY INSTALLATION**

1. Insert the bottom of the battery into the battery compartment.

2. Insert the hand strap plate into the handstrap slot.

3. Insert the hand strap clips into the hand strap attachment slots and pull down to lock into place.

4. Lift the hand strap ribbon off the hook material.

5. Slide the pad and adjust the ribbon for best fit.

6. Press the ribbon down to secure to hand strap.

**HANDSTRAP AND BATTERY INSTALLATION**

1. Insert the hand strap plates into the handstrap slots.

2. Insert the hand strap clips into the hand strap attachment slots and pull down to lock into place.

3. Rotate the hand strap down into the handstrap slot.

4. Press the hand strap into the handstrap slot.
