Follow these simple assembly instructions:

1. Using a #2 Phillips screwdriver secure part B to part A with parts C, as shown.

2. Plug the AC cord into the power adapter.
   **NOTE:** Use ONLY power adapter supplied with the X-DIM G2 ID.
   Phihong Technologies Co Ltd, model: PSAC60M-120
   UE Electronics, model UE60-140429SPA2

3. Plug the DC jack from the power adapter into the DC receptacle of the Dock.

4. Install the Tablet PC into the Dock.

5. Plug your USB devices into the USB ports.
