Australia Limited Warranty

The Australian Competition and Consumer Act (2010) (including the "Australian Consumer Law") as well as other laws in Australia ("Mandatory Laws") guarantee certain conditions, warranties and undertakings, and give you other legal rights, in relation to the quality and fitness for purpose of Xplore Technologies consumer products sold in Australia.

In Australia, our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure. What constitutes a major failure is set out in the Australian Consumer Law.

Nothing in this Warranty purports to modify or exclude the conditions, warranties and undertakings, and other legal rights, under the Australian Consumer Law, and other laws. This Warranty gives you additional protection for your Xplore consumer product, and identifies a preferred approach to resolving warranty claims which will be quickest and simplest for all parties, subject to the exclusions terms and conditions below.

This Limited Warranty applies to the Motion by Xplore-branded hardware products sold by or leased from Xplore Technologies Corporation of America, its worldwide subsidiaries, affiliates, authorised resellers, or country distributors in Australia with this Limited Warranty ("Motion by Xplore product"). This Limited Warranty is provided by Xplore Technologies Corporation of America ("Xplore") of 8601 RR 2222, Building 2, Austin, Texas 78730, USA (Phone: 1-866-322-9783 option 9). These terms and conditions constitute the complete and exclusive Limited Warranty agreement between you and Xplore regarding the Motion by Xplore product you have purchased or leased. No change to the conditions of this Limited Warranty is valid unless it is made in writing and signed by an authorised representative of Xplore.

Warranty period

The period during which this Warranty is in effect will depend upon the Motion by Xplore product to which it relates. In all cases the commencement date for the period is the actual day of purchase, as reflected on the authorised reseller's or distributor's invoice / receipt provided to you. The period during which each Motion by Xplore product is the subject of this Warranty is identified in the table at right ("Limited Warranty Period").

Warranty coverage.

Xplore warrants that the Motion by Xplore product and all the internal components of the Motion by Xplore product are of acceptable quality and free from defects in materials or workmanship under normal use during the Limited Warranty Period. If you consider that the Motion by Xplore product which you have purchased is not of acceptable quality, has a defect, or is otherwise not compliant with the conditions, warranties, undertakings, and legal rights given to you under Australian Law (for example, it appears faulty, or does not work at all or properly), you can make a claim under this Warranty. To the extent permitted by the Mandatory Laws, this Limited Warranty extends only to the original purchaser or lessee of this Motion by Xplore product and is not transferable to anyone who obtains ownership or use of the Motion by Xplore product from the original purchaser or lessee.

Repair or replacement

If, following receipt of a claim under this Warranty, Xplore or its agent determine that your claim in respect of a Motion by Xplore product is valid (having regard to the terms of this Warranty), and:

- if the goods can be repaired and the failure to comply with the warranty is not a major failure, Xplore or its agent may either repair the Motion by Xplore product, or pay you for the cost of a repair of the Motion by Xplore product, or replace the Motion by Xplore product with the same or similar product, or provide you with a refund for the Motion by Xplore product, depending upon what is reasonable in the

circumstances and at no cost to you. Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods; or, (b) if the goods cannot be repaired or the failure to comply with the Warranty is a major failure, (i) you may reject the goods and by so doing elect to receive either a refund for the Motion by Xplore product or a replacement of the Motion by Xplore product with the same or similar product or (ii) by action against Xplore, require Xplore to pay you compensation for any reduction in the value of the goods or lease payments (less interest) below the price paid or payable by you for the goods.

Motion by Xplore CL Series Tablet PCs	1 year
Other Motion by Xplore Tablet PCs (R12-Series, F5-Series, and C5-Series)	3 years

If Xplore provides you with either a replacement or refund or if you reject the goods, you immediately transfer ownership in the original Motion by Xplore product or part to Xplore. Any such resolution by Xplore of a claim under this Warranty by you does not otherwise detract from any other statutory rights which you might have in the circumstances, including your right to monetary compensation for a valid claim. If, following receipt of a claim under this Warranty, Xplore or its agent determine that your claim in respect of a Motion by Xplore product is invalid, Xplore may charge you for any labour, parts or transport costs incurred by Xplore or its agent in assessing your claim.

Software and data

YOU SHOULD MAKE PERIODIC BACKUP COPIES OF THE DATA STORED ON YOUR HARD DRIVE OR OTHER STORAGE DEVICES AS A PRECAUTION AGAINST POSSIBLE FAILURES, ALTERATION, OR LOSS OF THE DATA. BEFORE RETURNING ANY UNIT FOR SERVICE, BE SURE TO BACK UP DATA AND REMOVE ANY CONFIDENTIAL, PROPRIETARY, OR PERSONAL INFORMATION. THIS LIMITED WARRANTY DOES NOT EXTEND TO DAMAGE TO, LOSS OF, OR DISCLOSURE OF ANY PROGRAMS, DATA, OR REMOVABLE STORAGE MEDIA, OR THE RESTORATION OR REINSTALLATION OF ANY PROGRAMS OR DATA OTHER THAN SOFTWARE INSTALLED BY XPLORE WHEN THE PRODUCT IS MANUFACTURED.

Warranty exclusions

This section identifies what is excluded under this Warranty. For the avoidance of any doubt, any and all warranties or conditions which are not guaranteed under Mandatory Laws and which are not expressly included in this Warranty as additional warranties or conditions are excluded. This Warranty does not warrant uninterrupted or error-free operation of the Motion by Xplore product, which is affected by system configuration, software, applications, your data and operator control of the system, among other factors. Though the Motion by Xplore product is considered to be compatible with many systems, it is your responsibility to determine compatibility and integration with other products or systems. This Warranty does not apply to non-Motion by Xplore hardware products or non-Xplore software products which are not incorporated into Motion by Xplore products or, in the case of software, pre-loaded onto the Motion by Xplore product at the time of sale, even if packaged or sold with Xplore hardware.

This warranty does not cover:

- any Motion by Xplore product from which the serial number has been removed or altered;
- normal wear and tear, natural performance degradation (e.g. reduced battery life), or service costs in replacing and maintaining expendable/ consumable parts which have ceased working through normal wear and tear;
- cosmetic damage such as to the exterior finish;
- minor imperfections within design specification that do not materially alter functionality;
- damage or non-functionality that results from (i) failure to follow the instructions that came with the product; (ii) accident, misuse, abuse, or other external causes; (iii) operation outside the usage parameters stated in the then current user documentation for the product; or (iv) use of parts not manufactured or sold by Xplore
- damage or non-functionality due to modifications or service by anyone other than (i) Xplore, (ii) a Xplore authorised service provider, or (iii) your own installation of end-user replaceable Xplore or Xplore-approved parts; or
- loss caused by fire, water (liquid spillage or ingress), theft, vermin or insect infestation.

Limitation of Liability

Except as otherwise provided in this Warranty, if Xplore becomes liable to you under this Warranty or pursuant to any Mandatory Laws, that liability is limited to the maximum extent permitted by law, including without limitation, 64A of Schedule 2 of the Australian Consumer Law. To the extent that Xplore is legally entitled to avail itself of such limitation, Xplore's liability is limited to, at the election of Xplore in its absolute discretion, either:

- (a) in the case of goods:
 - (i) the replacement of the goods;
 - (ii) the payment of the cost of replacing the goods; and
- (b) in the case of services:
 - (i) the supplying of the services again;
 - (ii) the payment of the cost of having the services supplied again.

Software Technical Support

Software technical support is defined as assistance with questions and issues about the software that was either preinstalled by Xplore on the Motion by Xplore product or that was included with the Xplore branded product at the time of your purchase or lease of the product. Technical support for software

is available under this Limited Warranty for the duration of your warranty period. Your dated sales or delivery receipt, showing the date of purchase or lease of the product, is your proof of the purchase or lease date. You may be required to provide proof of purchase or lease as a condition of receiving software technical support. After the first ninety (90) days, technical support for software that was either preinstalled by Xplore on the Motion by Xplore product or included with the Motion by Xplore product at the time of your purchase or lease of the product is available for a fee.

What you need to do to be entitled to claim under this Limited Warranty:

1. Provide proof of purchase or lease. (Your dated sales or delivery receipt, showing the date of purchase or lease of the product, is your proof of the purchase or lease date.)
2. Be the original purchaser or lessee of this Motion by Xplore product.
3. Submit your claim to your local distributor or reseller without undue delay after detection of the defect and in any event within the Limited Warranty Period.

How to make a claim under this Limited Warranty:

1. Contact your local distributor or reseller and provide your contact information, such as phone number, e-mail address and other information (such as serial number or fault description). You may also contact Xplore directly at www.motioncomputing.com/support.
2. If Xplore determines that you have a valid claim under this Limited Warranty, Xplore or its authorised representatives will repair, replace or refund the Motion by Xplore product at Xplore's sole discretion and in accordance with this Limited Warranty.
3. Except as set out in this Warranty, Xplore will bear the expense of a valid claim under brought under this Warranty. If you wish to claim expenses under this Limited Warranty, contact your local distributor or reseller.
