Installation

How to Install Zebra Printer Drivers.

Your user account must have the necessary rights to install a printer driver otherwise contact your system administrator for further assistance.
Zebra recommends using the installation utility provided with the driver.

1. Run the driver extraction wizard and note the location of the extracted files. The extraction wizard filename will be like **zddriver-v7-x-xx-xxxxx-installer.exe**.
2. Locate and run the PrnInst.exe utility.
3. Select the Install Printer Driver option.
4. Accept the license agreement.

5. Select the USB Port option.

6. Follow the on-screen instructions to complete the installation.
