

LF-HF - RFID Tools - V6.00

The [LF-HF] RFID Tools for Windows® CE and Windows Mobile® are a RFID demo and a RFID keyboard wedge emulator for the TagSYS HF reader, HID HF reader and the HID LF reader.

The ZIP file contains:

- RFID Tools CAB File
- User Manual
- Source code
- RFID Drivers

Hardware configurations

For OMNII XT10 / XT15 / RT15

HID Readers

RFID Product	Frequency / Power	Slot	RFID Module	End Cap / Antenna	BAAN Item	Approvals	Tag Protocol / Tag Type
RFID Module HF-AM1-OMNII 	13.56 MHz / -	Expansion port	HID Module Multi ISO	POD / Horizontal Antenna	ST9210	CE FCC IC	Refer RFID Product Guide

For WORKABOUT PRO

HID Readers

RFID Product	Frequency / Power	Slot	RFID Module	End Cap / Antenna	BAAN Item	Approvals	Tag Protocol / Tag Type
RFID Module LF-AH1-G2 	125 KHz and 134.2 KHz / -	USB (End Cap)	HID Module LFX	Multipurpose GSM End Cap / Horizontal Antenna	1051330	CE FCC Id: GM3LFAH1G2 IC: 2739D- LFAH1G2	Refer RFID Product Guide
RFID Module HF-AM1-G2 	13.56 MHz / -	USB (End Cap)	HID Module Multi ISO	Multipurpose GSM End Cap / Horizontal Antenna	1051270	CE FCC Id: GM3HFAM1G2 IC Id: 2739D- HFAM1G2	Refer RFID Product Guide

TagSYS Readers

RFID Product for IKON	Frequency / Power	Slot	RFID Module	End Cap / Antenna	BAAN Item	Approvals	Tag Protocol / Tag Type
RFID Module HF-T2-G2 	13.56 MHz / 250mW	USB (End Cap)	TagSYS Module MEDIO S002	Multipurpose GSM End Cap / Horizontal Antenna	1051310	CE FCC Id: GM3HFT2G2 IC: 2739D- HFT2G2	ISO 15693, ISO 18000 / TAGSYS (C210, C240, C220), Philips I- Code, TI Tag it

RFID Module HF-T2-G2X 	13.56 MHz / 250mW	XMOD	TagSYS Module MEDIO S002	Standard End Cap / Horizontal Antenna	1004320	CE FCC IC	ISO 15693, ISO 18000 / TAGSYS (C210, C240, C220), Philips I- Code, TI Tag it
-----------------------------------------------------------------------------------------------------------------------	----------------------------	------	-----------------------------------	-----------------------------------------------------------	---------	-------------------------	------------------------------------------------------------------------------------------------------------

For IKON

HID Reader

RFID Product for IKON	Frequency / Power	Slot	RFID Module	End Cap / Antenna	BAAN Item	Approvals	Tag Protocol / Tag Type
RFID Module HF-AM1- IKON 	13.56 MHz / -	Tethered Snap On	HID Module Multi ISO With 2 SAM	Snap On Module / Bottom Antenna	CH1071A	CE FCC Id: GM3HFAM1IKON IC: 2739D- HFAM1IKON	Refer RFID Product Guide

For NEO

HID Reader

RFID Product	Frequency / Power	Slot	RFID Module	End Cap / Antenna	BAAN Item	Approvals	Tag Protocol / Tag Type
RFID Module HF-AM1-NEO 	13.56 MHz / -	Expansion port (USB)	HID Module Multi ISO With 2 SAM	Back Pack / Horizontale Antenna	PX3070	CE FCC IC	Refer RFID Product Guide

RELEASE NOTES:

6.00 Zebra rebranding

5.34 Support screen rotation

Fix minor bugs

5.33 Fix bug with Mirror function

Add Decode EM4x02 option

Fix issue on keyboard wedge application under CE6 by updating PTEMEAMS

5.30 Graphic update to support Windows Embedded Handheld 6.5

5.20 Support OMNII platform

Update of CFReader.dll to version 4.1.5.7

Fix bug: Opening of com port number superior to 9 is now possible

Update open comm function

Add a new connection mode (without driver)

Minor graphical updates

Change ISO14443 to Hyper Terminal in XML config file

Add I-Code for MultiISO

Change logo

Change the default keyboard wedge
behaviour (by "remote" profil)

5.10 Use RFID Driver library version 1.3 to be compliant with RFID Driver version 1.1
