Installation and Configuration Instructions

To install Dashboard 5.0.6.6, perform the following steps:

1. Download the update and save to the directory location of your choice.
2. Unzip the file to a location on your local drive.
3. Double-click the installer executable (.exe file) and follow the prompts.
Note: Upgrading Dashboard requires you to select the “modify” option in the installer.

Licensing

Refer to your applicable end-user licensing agreement for usage terms.
