- Change xHCI mode to 'Smart Auto'.
- Fixed system can't be turned off when press power button in bridge battery mode.
- Fixed system with dock can't be powered on after re-applying AC power.

Installation and Configuration Instructions

Note: Ensure the tablet is using AC power before installing the BIOS update.

To install the C5t & F5t BIOS A06 update, perform the following steps:

1. Download the BIOS update to the directory location of your choice.
2. Unzip the file to a location on your local drive.
3. Double-click installer (.exe file) and follow the prompts.
4. The update process may take some time. Do not manually power off the tablet during the update.
5. The tablet will automatically shut down after installing the BIOS.

Licensing

Refer to your applicable end user licensing agreement for usage terms.
