-

# Components

Component	Location
3c90c70BenSD105734.zip	A collection of all partition image files for MK3190: SDcard complete OS update
3c90c70BenHX105734.zip	A collection of all partition image files for MK3100: manual update

---

## Installation

1. Un-zip the “3c90c70BenSD10xxxx.zip” file and copy these files to a FAT32 formatted microSD card.
  2. Now place the card into the microSD slot on the MK3100,
  3. While holding down the first and third key on the keypad,
  4. Plug in the power cable.
  5. The monitor menu will appear, now you can let go of the keys.
  6. To navigate the menus use:
  7. Key 1 = UP, Key 2 = DOWN, Key 3 = ENTER, Key 4 = ESCAPE
  8. Select “download from sd card”, hit enter
  9. Select the “3C9AllLoad.mcf” file, hit enter
  10. Approximately 5 minutes, the OS is fully loaded, power cycle to re-start the system.
