Installation and Configuration Instructions

Note: Ensure the tablet is using AC power before installing the BIOS update.

To install the R12 BIOS A10 update, perform the following steps:

1. Download the update and save to the directory location of your choice.
2. Unzip the file to a location on your local drive.
3. Double-click the installer (.exe file) and follow the prompts.
4. The update process may take some time. Do not manually power off the tablet during the update.
5. The tablet will automatically shut down after installing the BIOS.

Licensing

Refer to your applicable end-user licensing agreement for usage terms.
