### Version Information

Below Table contains important information on versions

Description	Version
Product Build Number	13-13-04.00-TG-U00-STD-ATH-04
Android Version	13
Security Patch level	June 1, 2023
Component Versions	Please see Component Versions under Addendum section

## Device Support

The product supported in this release are the ET60 family of products. Please see device compatibility details under Addendum Section

## New Features

- This is an initial Android 13 GMS release for ET60 family of products

## Resolved Issues

- None

## Usage Notes

- None

## Known Constraints

- DHCP Option 119 & Auto PAC Proxy feature is currently not supported in this release. Zebra is working on enabling these 2 features in future Android 13 releases.
- On secure devices, RxLogger RAMOops logs can contain invalid characters, the logs are not in pure plain text format.
- The serial port on the Vehicle Dock and associated functions are not supported in this release. Zebra is working on enabling this feature in a future release.
