Contents

Introduction

When it comes to choosing a tablet for your business, your workers want sleek consumer styling, while you need enterprise-class durability, data capture and an accessory family that allows you to create the perfect tablet solution for your environment, workers and apps. Now you can have it all with the ET51 Enterprise Tablet. The thinnest and lightest of the full line of Zebra rugged tablet computers, the ET51 provide your workers with the same great styling they love on their personal tablet. You get a tablet built to handle all-day, everyday business, inside and outside your four walls. The full-size 10.1-inch models have bright, daylight viewable displays, and are loaded with features that make data capture easy. And a wide range of accessories boost ruggedness, simplify charging, extend battery life and make this tablet easy to carry and easy to wear. The ET51 Enterprise Tablet — all the features your business needs, with the consumer good looks your workers want.
