## Introduction

SPR28431 - User is having to dismiss the Error message box pop-up notification "Unfortunately Google Search has stopped" repeatedly. The issue is resolved by upgrading the "quick search bar".

## Description

SPR28431 - User is having to dismiss the Error message box pop-up notification "Unfortunately Google Search has stopped" repeatedly. The issue is resolved by upgrading the "quick search bar". The attached OTA package(s) are for customers who do not have a google account and are unable to upgrade the "quick search bar". The OTA package(s) rolls back the widget to non-GMS version.
