## **Introduction**

This package clean boots the MC55N0 terminals which are running with WM6.5 operating system. The process will put the terminal into the default factory settings. If it is required, it cleans the Application folder also.

## **Description**

The 55N<sub>xw</sub>65xxxCB000001.zip contains an Update Loader package to clean boot the terminal. The 55N<sub>xw</sub>65xxxDBA00001.zip contains an Update Loader package to clean boot and blank the application folder (it will erase all existing applications in the Application folder)

## **Contents**

1. 55N<sub>xw</sub>65xxxCB000001.zip
