# Release Notes – MC67NA Cleaners 1.0

# 1      Introduction

This package clean boots the MC67NA terminals which are running with WM6.5 operating system.  The process will put the terminal into the default factory settings.  If it is required, it cleans the Application folder also.

# 2      Description

The 67NAw65xxxCB000002.zip contains an Update Loader package to clean boot the terminal. The 67NAw65xxDBA000001.zip contains an Update Loader package to clean boot and blank the application folder (it will erase all existing applications in the Application folder)

# 3      Contents
