

Zebra Certified Refurbished Rental Program

No one can do it better than Zebra

Look no further than Zebra for a trusted solution to continue your operations uninterrupted, whether caused by a sudden surge in capacity or to meet a seasonal demand. The same exceptional performance you have come to expect from Zebra is now offered through our Certified Refurbished Rental Program. Reliable. Durable. Certified.

Flexibility for Immediate Return On Investment

Your operations need to stay flexible to meet the unprecedented. Be ready to equip your workers with the mobile computer devices to meet the changing needs of your business. The Zebra Certified Refurbished Rental Program offers the flexibility with pay-as-you-go model delivering an immediate ROI and no upfront costs to your day to day operations.

Certainty Comes Standard

Only Zebra is qualified to provide Zebra Certified Refurbished Mobile Devices. Zebra has the experience, technology and components to bring new life to used Zebra mobile devices. Each Zebra Certified Refurbished Mobile Device undergoes a rigorous 24-step testing process, all functions are tested and repaired (if needed) and reset to factory settings. The device comes preloaded with an updated operating system, assuring seamless, uninterrupted operation. In short, by renting a Zebra Certified Refurbished Mobile Device, you get more than a tested technology - you get peace of mind.

What Makes a Zebra Certified Refurbished Rental Device Exceptional?

- Fully tested
- Fully functional
- Backed by Zebra OneCare® Essential service and support

Backing To Move Business Forward

Know that your rented Zebra Certified Refurbished mobile devices are covered by Zebra OneCare Essential service, giving you access to Zebra technical support, software updates, quick repair turnaround, comprehensive coverage, and battery maintenance for the duration of the rental program. Trust that Zebra OneCare Essential service keeps your Zebra Certified Refurbished Mobile Devices where they are most needed—in the hands of your workforce
