

## Keep Production Moving

More ways to track. More power to act.

Keep assembly lines moving with the right material appearing in the right place at the right time, eliminating bottlenecks and waste. Know the current location and status of all your moving parts and tools, from raw goods to finished products. By incorporating the right mix of tracking solutions, you can have real-time insights to take data-driven actions to run a smarter, leaner production line.

## Let Tracking Drive Smarter Operations

On the plant floor and across your entire supply chain

### Asset Management

- Locate tools right away
- Know inventory location in real time

### Work-in-process / Material Management

- Keep assembly lines moving
- Know the real-time location and status of raw goods to finished products

### Product Identification

- Monitor goods
- Track inventory

### Shipment Accuracy

- Validate every shipment you send
- Easily detect discrepancies

## Benefits

Fulfill  
Orders  
Faster

Prevent  
Disruption

Reduce  
Overhead  
Costs

Increase  
Quality

Meet Critical  
Timelines

# 33%

of organizations  
will soon have full  
real-time visibility  
of plant floor KPIs  
based on RFID  
and sensors<sup>1</sup>

## Change Your Outcomes with the Right Mix of Tracking Solutions

Zebra offers the broadest portfolio of tracking solutions, so you have the flexibility to choose the right technology for your manufacturing plant operations and environments. Have confidence knowing that whatever solution you pick, you can trust that every hardware, software and analytic component will work as one unified platform.

### Supporting Technology

RFID

Bluetooth®

UWB

WhereNet

GPS

### Software, Professional Services and Support

Zebra **MotionWorks® Asset**

Zebra **MotionWorks® Material**

Zebra **MotionWorks® Warehouse**

Zebra **MotionWorks® Enterprise**

Zebra **SmartSight™**

Zebra **Prescriptive Analytics™**

Zebra **VisibilityIQ™**

Zebra **Data Services™**

Zebra **MotionWorks® Signature Services**

**RFID Design**

## All the Rewards. None of the Risks.

Find Your Confidence with Zebra

Have big plans for future location and tracking use cases? So do we. This is just the start of what we can do together. See how Zebra's platform grows with you.

- Unified platform
- Scalable and tailored to meet your needs
- Proven experience with thousands of implementations worldwide
- 10,000+ partners around the globe
