

Easily Create COVID-19 Vaccination Cards On Demand

Durable cards provide long-lasting verification

You've got more than enough to do. Let's make this simple: print vaccine cards on durable, plastic that can be sanitized. Create matching digital IDs at the same time. Produce them on demand – all with the click of a button.

Unbox and Get Printing Quickly

With Zebra's easy-to-install and simple-to-use ZC300 Series card printers, you can start printing cards in rapid time. Get pre-designed templates that can be automatically customized for each application with Zebra CardStudio™ 2.0 software. Select Zebra's specialty ribbons to further boost security and card durability. And, tap into Zebra's ISV community for targeted solutions.

Zebra has the experience, history and relationships to provide safe and secure solutions to healthcare, enterprise, state and local governments with a broad portfolio of hardware, software and ISV partners.
