

# UNIQUE SOLUTION FOR UNIQUE DEVICE IDENTIFIER

**SEE MORE. DO MORE.**

**Unique:** being the only one of its kind; unlike anything else

**COMPLETE** Solution  
**PROVEN** Technologies  
**FLEXIBLE** Offering

# COMPLETE, PROVEN, FLEXIBLE SOLUTION FOR MANUFACTURERS

## Ensure UDI Compliancy

Class I, II and III Medical Devices distributed in the United States must carry a unique device identifier, or UDI, as per the Food and Drug Administration (FDA). The compliance dates for this regulation are as early as September 24, 2014 for Class III Medical devices and as late as September 24, 2020 for Class I Medical Devices.

Medical device product identification labels:

- Maintain compliance
- Ensure brand consistency
- Improve operational efficiency
- Support business growth

## UDI in Manufacturing

We provide a comprehensive solution that will improve your workflows and enable compliance with UDI regulations. Our unique solution includes the print device, scanner, label design software, global compliance tools, and thermal supplies that can:

- Withstand sterilization
- Withstand cleaning agents used in hospitals
- Last the life of product disposal
- Meet UL Standards

WE BRING TOGETHER THE LEADERS IN ID COMMUNICATIONS TO PROVIDE THE MOST COMPREHENSIVE MANUFACTURING SOLUTION AVAILABLE.

# COMPLETE, PROVEN, FLEXIBLE SOLUTION FOR HEALTHCARE PROVIDERS

As a leading provider of visibility solutions to healthcare providers, Zebra is uniquely positioned to enable UDI solution.

- Improve asset visibility
- Improve recall effectiveness
- Provide complete transparency
- Enable better continuity care
- Improve patient safety
- Eliminate manual data entry

## UDI in Healthcare

You can leverage UDI in areas of continuous improvements within the hospital for overall patient safety.

- Allow more accurate reporting, reviewing and analysing of adverse event reports so that problem devices can be identified and corrected more quickly.
- Reduce medical errors by enabling health care professionals and others to more rapidly and precisely identify a device and obtain important information concerning the characteristics of the device.
- Enhance analysis of devices on the market

WE BRING TOGETHER THE LEADERS IN ID COMMUNICATIONS TO PROVIDE THE MOST COMPREHENSIVE SOLUTION AVAILABLE.

ZEBRA'S SOLUTIONS SETS ARE TESTED, CERTIFIED AND RECOMMENDED BY THE LEADING EHR PROVIDERS.
