

“How can I improve inventory management?”

The answer's in black and white.

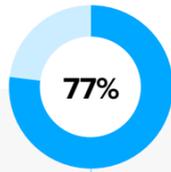

The world of warehousing is changing rapidly. Increasing number of orders. Faster fulfillment timelines. Rising customer expectations. Give your team timely insights to reduce out-of-stocks, overstocks, and missing stock, all at the palm of their hand.

DID YOU KNOW?

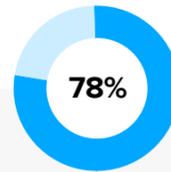

In a study done with small and medium businesses:

57% of warehouse decision makers reported inventory management as their top current or expected challenge in the next five years¹.

77% of warehouses agree that they need to implement new technology to be competitive in the on-demand economy¹.

78% of warehouse decision makers agree that implementing warehouse technologies and devices would help attract and retain workers¹.

KEY BENEFITS TO UPGRADING YOUR INVENTORY MANAGEMENT OPERATIONS

With Zebra's inventory management portfolio, help your warehouse achieve:

Less out-of-stocks

More visibility into inventory

Improved accuracy

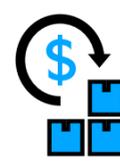

1 out of 5

decision makers stated using handheld mobile computers with built-in barcode scanners for inventory management¹.

77%

of warehouses agree that operational processes within inventory management will require equipping a human with a device or partial automation with some human involvement¹.

10%

decrease in overall inventory costs by reducing stock-outs and overstocks².

THREE WAYS TO INVENTORY MANAGEMENT SUCCESS

Boost productivity during cycle counts with Zebra's mobile computers, scanners, and printers.

Zebra DNA

Get exponential power with a portfolio of intelligent software, applications and utilities designed to transform your devices into enterprise-engineered solutions.

1

Printers

Print Labels On-Demand
ZQ500 Series Mobile Printers

Create labels anywhere without delay with wireless, secure printing and instant wake-up. Power through every shift with advanced battery technology and an unparalleled, durable design. Large buttons make it easy to use, even when wearing gloves.

2

Mobile Computers

Count with Flexibility
MC2200 and MC2700 Mobile Computers

Connect your workers anywhere with one device for multiple uses. Capture virtually any barcode on the first scan. Streamline inventory processes with the class-leading ergonomic design. Choose Wi-Fi or Wi-Fi/cellular data.

3

Scanners

Scan Accurately, Every Time
DS3608-SR Ultra-Rugged Scanner

Meet the scanner you can depend on. Capture barcode labels in any condition, from near contact to as far as 5 ft./1.5m away and get added features for greater efficiency.

GET THE MOST OUT OF YOUR INVESTMENT

Services

Keep your technology operating as it should with hassle-free repairs, maintenance, and support from Zebra and our partners.

Supplies

Order the supplies to match your shipping needs while offering unmatched quality.

Warehouse Management System (WMS)

Track inventory, schedule shipments and optimize supply and demand chains with a modern, digital WMS.

INSTALLATION. SERVICE. SUPPORT.
