

## Schedule of Training Sessions for VisibilityIQ® OneCare™ Dashboard

---

REVISED: OCTOBER 9, 2019

### VISIBILITYIQ ONECARE DASHBOARD USERS:

Zebra is pleased to offer several live opportunities to learn more about the VisibilityIQ® OneCare™ Dashboard, a single, configurable, web-based tool for Zebra services information. Zebra's Support Services Dashboard provides critical operational information to give you insight into key repair KPIs, service levels and repair service performance.

Training sessions provide users instruction on current features and dashboard reports. Time will be allocated for questions during the training sessions. See below for the current schedule of training sessions, as well as information on how to join each Zoom webinar session.

Need training now? We also offer a variety of online training and information resources (quick guides, video tutorials, and frequently asked questions). Visit the [VisibilityIQ® OneCare™ Dashboard](#) page for the following documents, or click the links below to go directly to a specific resource:

- Access an [Introduction to Zebra's VisibilityIQ® OneCare™ Dashboard](#)
- Review our [Frequently Asked Questions](#) for a specific query or issue
- See the latest improvements in our [What's New in the VisibilityIQ OneCare Dashboard \(Release Notes\)](#)
- Review additional [course materials and video tutorials](#)

For training sessions in the schedule below, find the session that best fits your needs. Please note, all sessions will be offered in English. Our training sessions are conducted using Zoom Webinar. The following detailed information will help you select and download an .ics calendar file for your desired session.

**A downloadable, .ics calendar file link is provided for each Zoom webinar session.** Simply click on the link in the **Session Calendar File** field for the session you wish to attend then open / download the file. Accept the invitation to add the meeting to your own calendar. Or if you would prefer to create your own calendar entry, use the information below.

Please note:

- The **Calendar File** (in standard .ics format) will have full meeting information to attend the Zoom meeting, including a link to the meeting's full audio and visual capabilities
- If you prefer not to download the file, you may use the **Zoom Meeting Link** to join the conference directly at the scheduled time of the session
- If you prefer to join by phone for the voice portion of the call, [find your local Zoom number](#), and then use the **Zoom Meeting ID** for the particular session
