Mobile Printer Accessories Guide

Make your printers even more productive

Mobile Printers that do more, faster and on demand

Rely on Zebra mobile printers to improve efficiencies across your facilities, processes and workforce, helping your entire operation get business done reliably and quickly anywhere, anytime.

PREMIER
ZQ6 Series

Powerful, drop-resistant and user friendly, ZQ6 Series mobile printers are ideal for merchandising, warehousing, and shipping and receiving. Our ZQ610 Plus and ZQ620 Plus Healthcare mobile printers with disinfectant-ready plastics are ideal for mobile specimen collection or other healthcare applications. Use them to print barcode labels, receipts, and tags exactly when and where they're needed. Zebra DNA™ — powered by the Link-OS™ operating system — makes them easy to iintegrate, manage, and secure from a PC or handheld device, or remotely with a printer management solution. The ZQ6 Series is available in linerless and RFID* models.
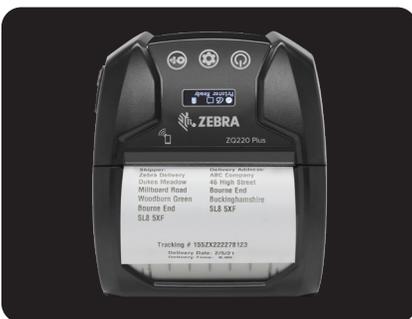

PREMIER RUGGED
ZQ5 Series

The industry's most rugged mobile printers, the ZQ5 Series, can withstand repeated drops to concrete from 6.6 ft. (2 m). With an IP54 rating, they are protected from liquid and solid particles ingress, plus have a MIL-STD 810g rating for shock and drop. Large buttons and a user-friendly interface are easy to operate, even when wearing gloves, and USB on the go enables easy printer maintenance in the field. Zebra DNA makes our printers easy to set up, manage and secure. The ZQ5 Series is available in linerless and RFID models.

SELECT
ZQ3 Series

The ZQ3 Series is a small mobile printer that can handle the elements, generate high quality labels, receipts and linerless media in practically any environmental condition and guarantee power for the longest shift, all at a price that won't break the bank. Managing printers remotely is easy with the Zebra DNA suite of software tools and applications. The ZQ3 Series—the affordable little mobile printer that delivers big business value.
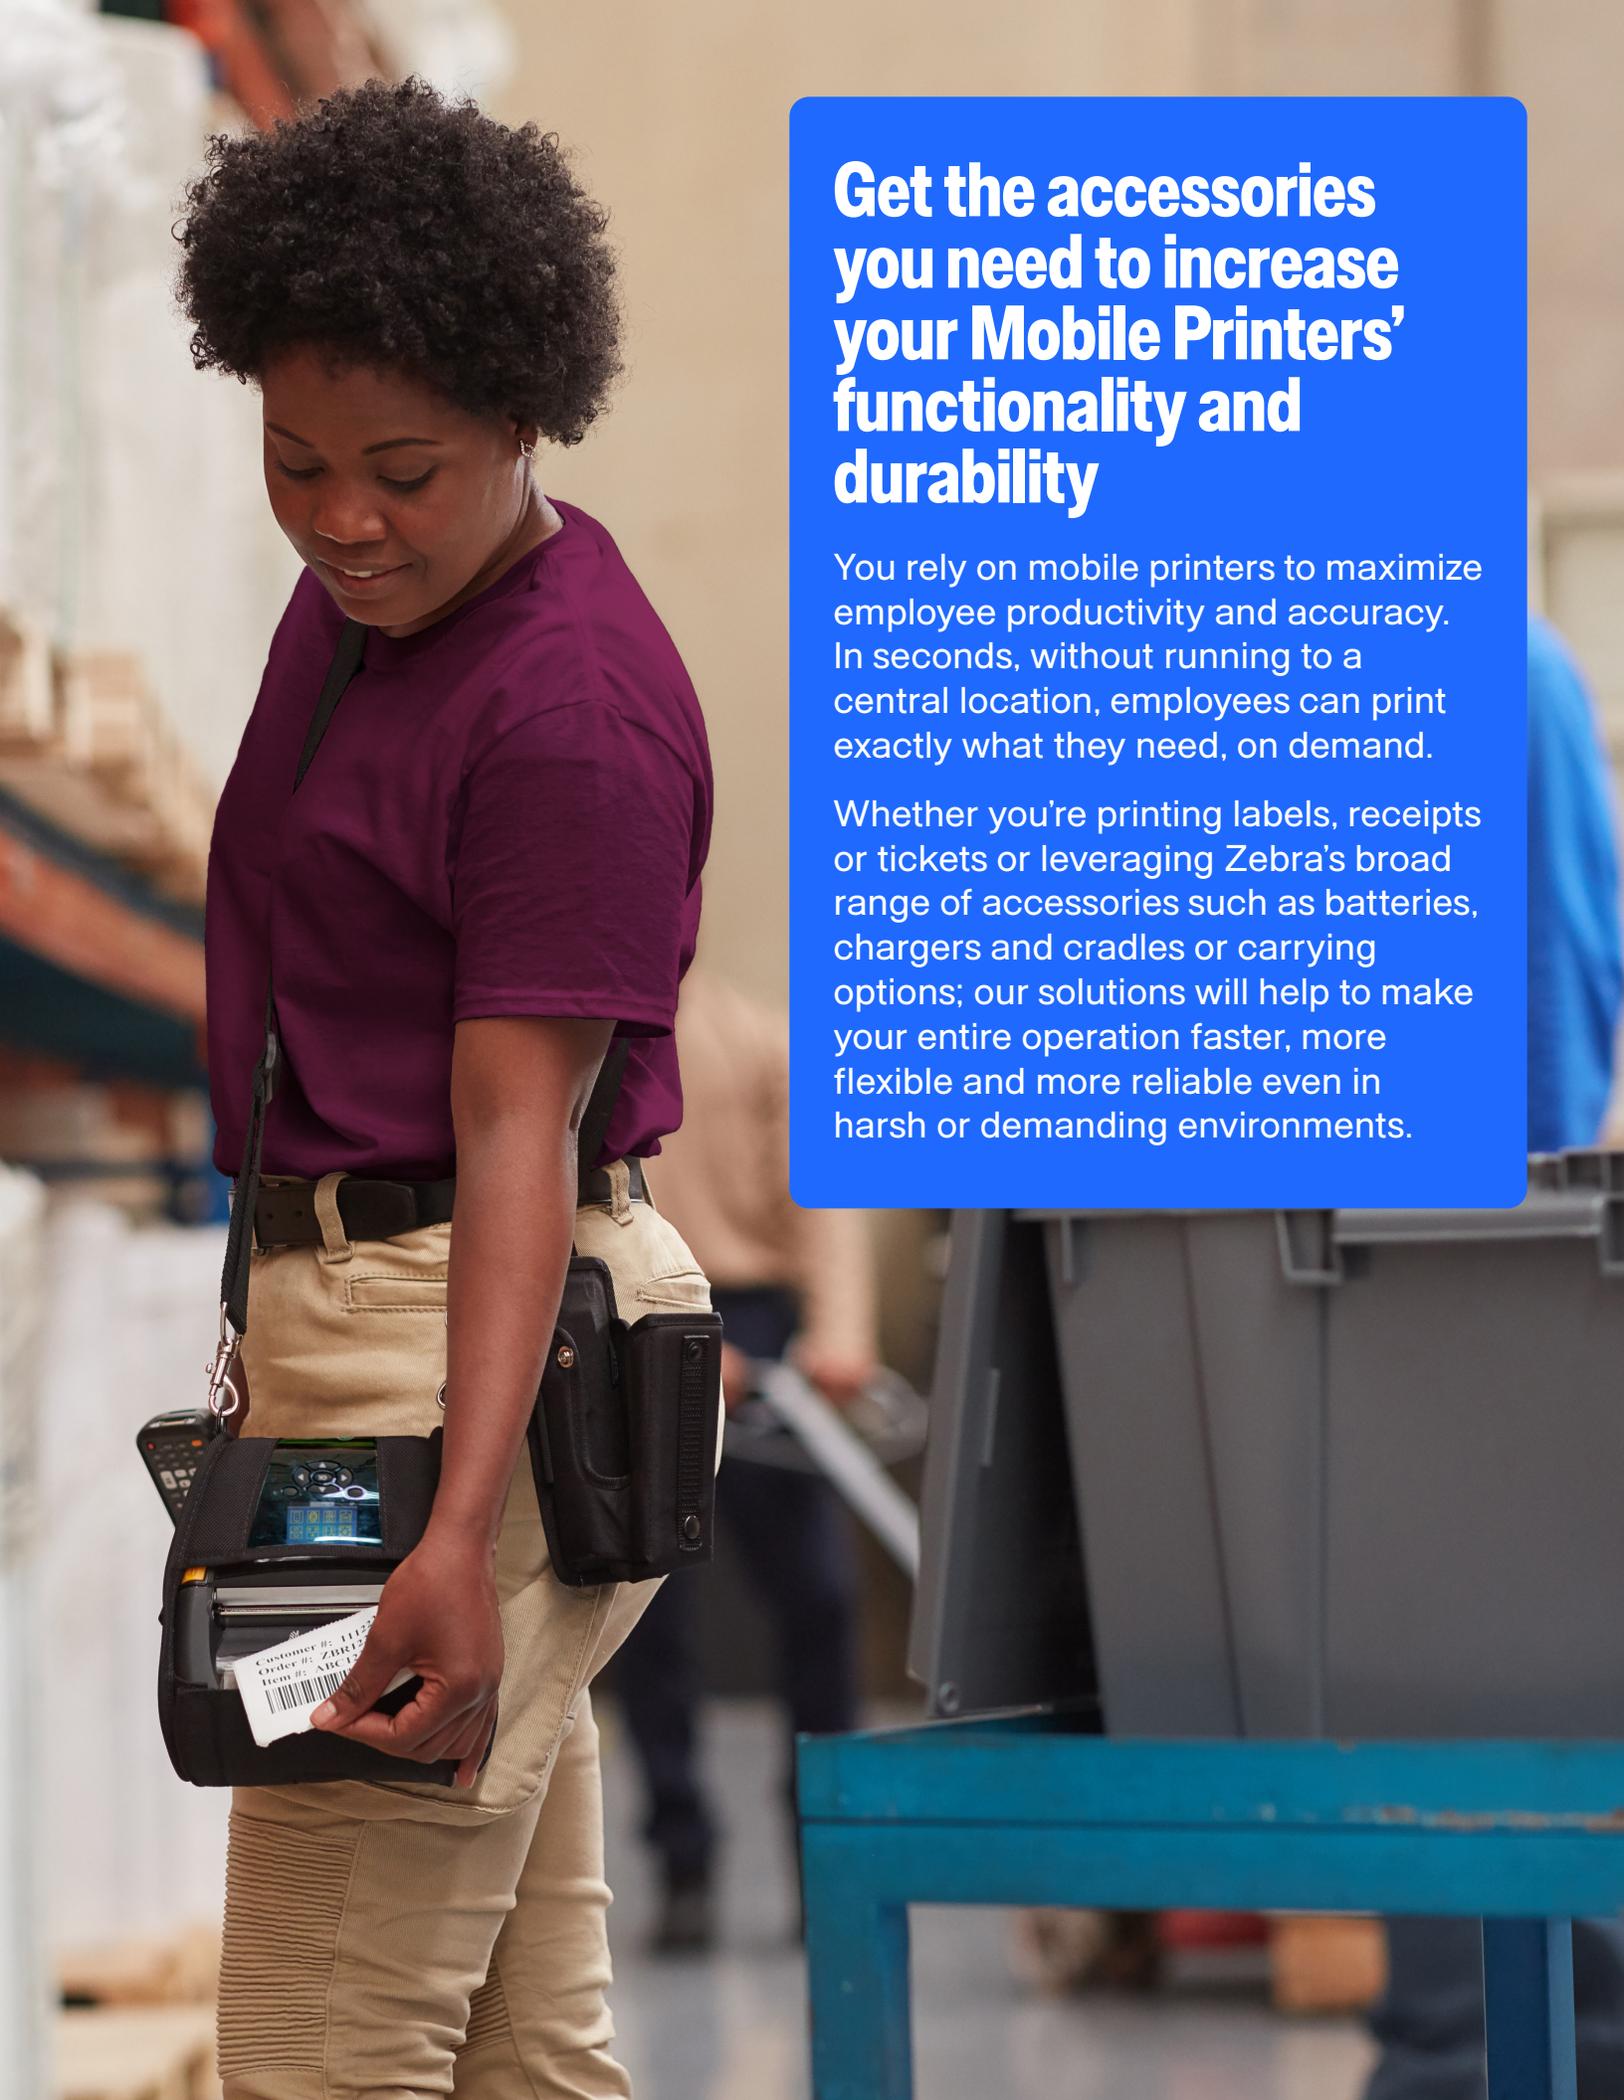

ESSENTIALS
ZQ2 Series

These affordable, versatile ZQ2 Series** mobile printers have the ability to produce receipts and labels in multiple widths using optional media spacers. They're compact and lightweight, making them easy to carry. Popular and convenient USB charging keeps them running during your entire shift. Use the free ZQ2 ZLabel Designer App to create and modify labels using your Android™ or iOS® handheld mobile device, then print directly to your ZQ2 Series mobile printer.

*ZQ630 Plus RFID model only.
**Availability varies by region. The ZQ2 Series and app are unavailable in the United States and Canada.

Get the accessories you need to increase your Mobile Printers' functionality and durability

You rely on mobile printers to maximize employee productivity and accuracy. In seconds, without running to a central location, employees can print exactly what they need, on demand.

Whether you're printing labels, receipts or tickets or leveraging Zebra's broad range of accessories such as batteries, chargers and cradles or carrying options; our solutions will help to make your entire operation faster, more flexible and more reliable even in harsh or demanding environments.

Batteries

Choose better technology for better power management

Energy management is critical to keeping your workforce mobile and productive. Balance performance and power with efficient batteries and battery accessories. Zebra's long lasting batteries power your mobile printers without limiting productivity. Available in both standard and extended packs to meet your different needs.

PowerPrecision+ Battery—Only From Zebra Technologies

PowerPrecision+ batteries deliver the ultimate in battery management, enabling electronic query of battery asset information plus a wealth of battery health-related information, including charge cycles consumed, battery status at the time of query and a State Of Health meter, which performs real-time modeling of the electrical characteristics of the battery pack to compare current performance to that of a new battery.

Chargers, Power Supplies, Cradles and Mounting

Get your batteries back into service—fast

Zebra power adapters and chargers fully recharge a battery in just 2.5 to 5 hours, and they deliver the superior reliability and longevity you need to keep batteries in service. Choose between single and 3-slot battery chargers, charging cradles, wall chargers and on-the-road charging solutions..

Carrying and Protection options

Keep your mobile printers available, safe and convenient

Ensure your printer is at hand when you need it and out of the way when it's not. These quality, custom-designed printer cases and covers make them easy to carry on your belt or over your shoulder. Plus, they're weather resistant and add an extra layer of protection when they're bumped around.

Cables and other accessories

Depend on quality Zebra cables

For speed, reliability and precise data transmission, depend on Zebra cables. They are manufactured to the highest standards to be durable and to deliver seamless, timely and hassle-free connectivity and communication. Don't trust just any cable, because when you need to be connected…you need to be connected.
