COMPONENTS

Component	Location
OSUpdate_MT2070_01.25.26.zip	A collection of all partitions and ActiveSync OS Update files for MT2070.
OSUpdate_MT2090_01.25.26.zip	A collection of all partitions and ActiveSync OS Update files for MT2090.

INSTALLATION

Development PC

1. ActiveSync MT2070 / 2090 to PC;
2. Unzip the appropriate OSUpdate for the model (MT2070 or MT2090);
3. Run the "ActiveSyncOSUpdateMT2070.bat" or "ActiveSyncOSUpdateMT2090.bat" within the OSUpdate unzipped package;
4. Make sure the power is not disconnected or battery is fully charged during the update process;
5. After update, MT2070 / 2090 will reboot automatically.
